EDITOR REPUBLICAN: I beg leave to say through your columns, to persons giving certificates to the suffering poor that they should give such to the most needy only, as with the means supplied so far, by private charity, it is impossible to help more than one-fourth of those who are in a suffering cordition. I would also say to the charitably disposed of our city that now is the time to give, if a time ever did occur in the history of New Berne. E. HUBBS. Respectfully, Act'g Sec. R. C.

WE have much to be thankful for. If our streets are deep with mud directly after rain, it is a satisfaction to know that two days of sun will entirely remedy the trouble and put them in good condition again. The city treasury not being in condition for gas-lights, the moon has kindly consented to shine again free of charge. It is much the best way to look on the bright side of things, like the pauper who said he was "in the habit of going to the grave-yard every day and sitting on a head-stone, thank the Lord he was not dead."

From W. P. Heald, Eag., Engroy, Maine.
Dassion, Maine, 1 pril 14, 1868.
I hereby certify, that I have used Telences for thirty years past, and for the last fifteen years I have used two pounds per month. I have made attempts to leave off at different times. I have left off one year at time, but always continued to lamber for it till I used Orton's Preparation, which has completely cared me of the appetite for Tobacco. I would recommend all who are afflicted with this tertible habit, to fry the Preparation which we will result to the Preparation which will certainly cure if the directions are followed.

W. P. HEALD.

Prom E. W. Atkins, Knoxyllie, Menn.
KNoxyller, Tenn., August 5th, 1567.
This is to certify, that I had used Tobacco to such an extent that my health had become greatly impaired, and my whole system deranged and broken down. In June, 1867. I purchased one box of Orton's Preparation, and after using it I found that I was completely circl. I have not had any desire or hankering for Tobacco since using the preparation. I believe it to be all that it is recommended, and I would advise all who wish to gelt the use of Tobacco, to ur one box of Orton's Preparation.
