THE NEW BERNE REPUBLICAN.

THE ONLY DAILY Republican Paper

PUBLISHED IN EASTERN NORTH CAROLINA.

ISSUED FROM 23 CRAVEN STREET, NEW BERNE, N. C.

THE REPUBLICAN is issued as an Independent and Progressive Journal

which shall reflect the sentiments and opinions of the unimpeachable loyal population of Eastern North Carolina, by an uncompromising opposition to the doctrine of Secession, and by a fearless advocacy of the eternal principles of

Union, Liberty and Equality before the Law.

The Republican will be devoted to the common interests of our people, with "malice toward none and charity for all."

It will plead for the maintenance inviolate of the National Government and its credit; the education by all available means of the people; the encouragement of immigration and the development of our agricultural, mineral and commercial resources.

While the Republican will be pre-eminently a newspaper, the departments of

COMMERCE, AGRICULTURE, ART, SCIENCE, AND LITERATURE,

will receive such attention by Reports, Essays, Reviews and Summaries as space will permit.

Full reports on all matters of Local Interest will form a prominent feature, and as there appears as yet no other

UNCONDITIONAL UNION PAPER in Eastern North Carolina, the advantages which the Republican will offer as an advertising medium are apparent.
