A Preacher in Bad Business

Dear Mr. Laws:—As I have been your agent here and have gotten a good many clubs for your paper being a Republican and a liberty-loving son-of-a-gun in general, I desire to ask you a question or rather relate you an incident that happened in our town.

Now to begin with, I am a Methodist, a member in good standing also a Steward in the Church. Our minister, whose name is Armstrong, was talking to me and another Brother about the Menace, an anti-Catholic paper published at Aurora, Missouri, and I remarked that the Menace let the Catholics off light compared to the Yellow Jacket. Bro. Armstrong made the statement that he would not let The Yellow Jacket come in his house because its editor was a Negro and that about three years ago you said in your paper that a Southern lady was no better than a negro. I told Bro. Armstrong that I had been taking your paper for fifteen years and had never seen such a statement in it and asked him if he read it himself, and he said he did. Now of course I don't believe it. I almost know it is not true, for I don't think I have missed an issue of the Y. J. for fifteen years. I told him you were a white man and I understand a Mason. He then remarked that he did not see how you could be a Mason and a negro. Of course I understand the trouble about the South and the Church. I am awfully Methodist, but I think it ought to be general and not Southern. Now I will ask you to explain in your paper to this Southern Minister how you stand and what you are and I certainly will give him the paper.

Come along, Brother Armstrong, the money is yours if you can identify that "nigger" editorial. If you don't do it, of course you may expect to pay your own way and lose the thousand plunks.

You tell your minister, Brother Glenn, that he ought to see Al Jennings, former bank and train robber and now Democratic candidate for governor of Oklahoma, and find out from Al how a dirty rascal proceeds to "renovate" himself, and get busy. If your minister is really anxious to know the color of my skin, let him make inquiry of Rev. H. M. Blair, D. D., editor of the Greensboro (N. C.) Christian Advocate, official organ of the Western North Carolina Methodist Conference. Dr. Blair, who, by the way, is a brother of your State Senator Hartwell Blair, knows me personally.

If preacher Armstrong desires to know anything about my Masonry let him write the Secretary of Moravian Lodge No. 353, A. F. & A. M. Moravian Falls, N. C., who will inform him that I am a Master Mason in good standing and have occupied every prominent office in the Lodge.

Those who know me know I am a white man. Those who don't know me, especially ministers who are supposed to tell the truth, should take the trouble to inform themselves before making any adverse comment.

Brother Armstrong's calling would seem to indicate that he intends to abide in the Lord's tabernacle and have his future dwelling on His holy hill, and if he has read his Bible as carelessly as he has the Y. J., he may be excusable for his overlooking that scripture which says, "He that backbiteth with his tongue, or doeth evil to his neighbor, or taketh up a reproach against his neighbor" shall not be a citizen of Zion.

If Brother Armstrong can possibly spare the time from misquoting the Y. J., and misrepresenting its editor, to fish out his dust-covered Bible, if he has one; let him refer to the first three verses of the 15th Psalm which might knock some of the cobwebs off of his ecclesiastical brain.

I have often wondered why the heathen rage and the people imagine vain things, but it's all plain to me now. With a preacher like Armstrong trying to deceive his people by dirty misrepresentation of matters upon which he could so easily have informed himself, no wonder the foundations of truth are muddled and the Oklahoma heathen rage.

R. DON LAWS.

Yours truly,
VAUGHN GLENN.
Lexington, Okla., R. F. D. 4.

Well, well, Brother Glenn, you folks must have a very different brand of Methodist ministers in Oklahoma to what we have here in North Carolina. You can't find a Methodist pastor in the entire Tar Heel state who will give countenance to such stuff as your minister handed you.

I hate to put it so plain, but your preacher has simply lied.

He knows he has never read any such statement in The Yellow Jacket, and he knows that he has never heard a person of any reliability assert that I ever remotely intimated in the Y. J. that a Southern lady was no better than a negro. A copy of every issue of The Yellow Jacket for the past 18 years has been bound into three large volumes which are here in the office for the inspection of anybody, and I will pay all expenses and give Bro. Armstrong a Thousand Dollars to come here and point out a single place in any number of The Yellow Jacket where any such language or intimation or insinuation was ever used.

Treason Boiling Over

If any man outside of an insane asylum or a priesthouse doubts the existence of a deep plan to overthrow the constitution of this country, and seize the divine right of freemen to have a free speech and free press, let him get his ear to the ground for a short while and listen to the rumbling. Romish treason is bubbling beneath the service like a raging volcano, and all that restrains its outburst is fear of the flag.

Men, is this not the gospel truth? When experts go in search of a gold mine or a coal mine, they know that mineral exists by the outcroppings which they find along the edges and near the surface. They dig further and find that for which they seek.

The "Outcroppings" of Romish Catholic treachery can be found on all sides. Listen, beloved: All Roman Catholic schools of canon law, according to one of their greatest leaders, Bartoli, teach that heretics must be burned. They do not say they should be, but in plain unmistakable Latin which admits of no dispute, declares that those who disagree with them in dogma and doctrine must be burned.

Think of that, patriotic Americans, and gaze on the prospective spectacle of your sweet children, your devoted wife, your venerated mother, feeding the flames like fuel, in the faggot's flare, because they do not subscribe to the damnable doctrine of a fish-eating mummy on the throne of Rome who says he is the vice-God and can never do a wrong.

What we want to know is why the Sam Hill a pope that is infallible and can do no wrong waddles like a duck into the confessional every morning and confesses his "sins", if he can-

not commit sins. Yet that is what J. Cardinal Gibbons says the "Holy Pope" pulls off every blooming morning in the Vatican, and Cardinal G. ought to know, for he is one of the "Holy Pope's" personally constituted "princes" placed to rule over the political as well as priestly domain of Free America as soon as the Papacy's deep-laid scheme to wrest this republic from patriots has been completed.

We see the "outcroppings" of the treason against American liberty everywhere. The Knights of Columbus have their Jesuit Jasper in the President's private office, with his hands on the very throttle of the machinery of government.

Thru their political hirelings, they have their Knights of Columbus bill pounding on the doors of our national congress trying to sneak in a legislative recognition of their treasonable doctrines.

Another "outcropping" of the "Holy Roman Pope's" plan to "Make America Catholic" is the Burnett Immigration Bill, which passed the lower house of Congress by exactly two-thirds, AND WHICH HALTIGAN, READING CLERK OF THE HOUSE AND A PUPPET OF THE POPE PLACED IN A POSITION OF TRUST BY THE PAPACY-RULED DEMOCRATS DELIBERATELY ATTEMPTED TO UNDERCOUNTER so as to have it lose its two-thirds majority. This bill would deprive American Catholicism of millions of ignorant recruits yearly by the inflow of foreigners from Roman Catholic countries who are being urged to come to America and take out citizenship papers to swell the Catholic

I Will Stake This Medicine Against Your Time

A Few Days Will Be Sufficient to Prove Its Value in Your Disease

A few minutes of your time for a few days and I will demonstrate to you, without expense to yourself, that I have a medicine that drives Uric Acid poison from the system and by so doing conquers kidney trouble, bladder trouble and rheumatism. I don't ask you to take my word for it, but simply want you to let me send you some of this medicine so that you can use it personally.

I am trying to convince sufferers from these diseases that I have something far better than the usual run of remedies, treatments and such things, and the only way I can demonstrate that fact is to go to the expense of compounding the medicine and sending it out free of charge. This I am glad to do for any sufferer who will take the time to write me. Understand, I will not send you a valueless "sample" or "proof or test treatment," nor will I send you a package of medicine and say that you can use some of it and pay for the rest, but I will send you a supply free of charge and you will not be asked to pay for this gift nor will you be under any obligations.

All I want to know is that you have a disease for which your medicine is intended, as it is not a "cure-all," and I give here-with some of the leading symptoms of kidney, bladder and rheumatic troubles. If you not notice one or more of these symptoms you need this medicine, and I will be glad to send you some of it if you will write me the numbers of the symptoms you have, give your age and your name and address. My address is Dr. T. Frank Lynott, 5349 Deagan Building, Chicago, Ill. You promise me nothing; you pay me nothing for it. All I ask, so there shall be no mistake, is that you send me the numbers of your symptoms or a description in your own words and that you take the medicine according to the directions I send you. It is my way of getting publicity for my medicine so that it will become widely known.

You will agree when you have used it that it dissolves and drives out uric acid poison. It tones the kidneys so that they work in harmony with the bladder. It strengthens the bladder so that frequent desire to urinate and other urinary disorders are banished. It stops rheumatic aches and pains immediately. It dissolves uric acid crystals so that back and muscular aches, long and crooked joints, quickly straighten out. It reconstructs the blood and nerves so that you soon feel healthier and stronger, sleep better and eat better and have energy throughout the day. It does all this and yet contains nothing injurious and is absolutely vouched for according to laws.

Sufferers from these dreadful and dangerous diseases can surely afford to spend a few minutes each day for a few days to demonstrate to their own satisfaction if they are curable, especially when you consider no expense is in-

DR. T. FRANK LYNOTT who will send medicine free of charge to those who need it.

I will willingly give you my time and my medicine. All any fair-minded afflicted person wants to know is if a certain thing will relieve HIM or HER, and here is an opportunity to find out without cost, obligation or important loss of time. THESE FEW DAYS may be the turning point in your life. All who are interested enough to write me for the free medicine will also receive a copy of my large illustrated medical book which describes these diseases thoroughly. It is the largest book of the kind ever written for free distribution, and a new edition is just being printed. I will also write you a letter of instructions and medical advice that should be of great help to you; but in order to do this I must know that you need my medicine. Write me the numbers of the symptoms that trouble you, and your age, and I will promptly carry out my promises. Show an inclination to get well and write me, and I will gladly send you a supply free.
