How's Your Liver?

It is the Oriental salutarin, knowing that good health cannot exist without a healthy Liver. When the Liver is torpid the Bowels are sluggish and constipated, the food lies in the stomach undigested, poisoning the blood; frequent headache ensues; a feeling of lassitude, despondency and nervousness indicate how the whole system is deranged. **Simmons' Liver Regulator** has been the means of restoring more people to health and happiness by giving them a healthy Liver than any agency known on earth. It acts with extraordinary power and efficacy.

HOW EACH STATE WENT. ALABAMA. The democratic majority for Cleveland in Alabama will approximate nearly 50,000. The delegation to Congress is solidly democratic. COLORADO. Additional returns only tend to pile up the Populist majority in Colorado, which will be anywhere from 5,000 to 7,000, with Waite, the Populist candidate for Governor, probably 3,000 votes behind his ticket. PENCE (Populist) is elected to Congress from the First District by 1,500 to 2,000 majority, and Bell (Populist) is elected in the Second District by 3,000 to 4,000 majority. The Populists will have control of the lower house of the Legislature and probably of the Senate. The long-term senators elected will have a vote in the session of 1895 for a United States senator to succeed Senator Wolcott, and of the seven long-term senators chosen the Populists have elected ten or twelve and possibly more. SOUTH DAKOTA. Weaver electors have been chosen. The Democrats claim that with their fifteen hold-over Senators there is no doubt of their controlling the legislature, insuring a Democratic successor to Senator Sawyer; another loss of a United States Senator for the Republicans. NEVADA. It is conceded by all party managers that Weaver electors have been chosen in Nevada by 15,000 plurality. Newland, the silver party nominee, was elected to Congress. The legislature is in doubt. NEVADA. The returns are in with but a few districts lacking. Cleveland carried New York county by 73,000; King's county by 28,887; Queens by 3,000; Richmond by 1,800, and Harrison came down to Harlem bridge with about 65,000 plurality. Cleveland wiped that out and polled a Democratic plurality of 44,000 in the State, but little short of Flower's plurality last year. WYOMING. The Republican State Committee concedes the election of the Weaver electors and the Democratic State ticket. The fusionists have probably carried the legislature which will result in the defeat of Senator Warren and the loss of a Republican United States Senator. WISCONSIN. The Democrats have carried Wisconsin. The Republicans admit the defeat of the party and say it is due to the Lutheran vote, about one-half of the Lutherans of the State deserting the Republican party because of the school issue. The Democratic leaders claim the State by 15,000 majority. CONNECTICUT. The vote in this State with one town missing, gives Cleveland 82,408, Harrison 76,987, Weaver 3,994, scattering 109. Cleveland's plurality 5,417. Four years ago it was 236. The entire Democratic ticket is probably elected, the vote on Governor being, Morris, Democrat 82,269; Mervin, Republican, 76,402; Angus, Prohibition, 3,549; scattering 113, making a majority for Morris as required by the constitution. Lewis Sperry, Democrat re-elected to Congress from the first district by 547, Piggott, Democrat, elected in the 2nd district, Russell, Republican re-elected in the Third, Robert E. DeForest, Democrat, re-elected in the Fourth district. ILLINOIS. The latest returns do not abate the decisive Democratic victory in the State of Illinois, both on the national and State tickets. Conservative men of all parties now generally agree that the Democratic plurality in the State will be approximately 20,000 and that the Democrats will have at least thirteen of the twenty-two congressmen, with a probability of one or two more in the districts still in doubt. The official returns are not likely to show any material variation from these figures. DELAWARE. Cleveland's plurality in this State is 5,758. John C. Casey (Democrat) is re-elected to Congress by about the same majority. Pierce Gould, the Republican candidate for sheriff in Newcastle county, is elected by 128 plurality. He is the only Republican chosen in the State. MICHIGAN. The latest reports have it that Harrison electors are chosen in the Western District at large, and in the Third, Fourth, Fifth, Sixth, Eleventh, and Thirteenth districts, Cleveland carries the Eastern District at large, and the First, Second, Seventh, Eighth, Ninth and Tenth electoral districts. Rich (Republican) is elected Governor by 10,000 majority, and the Republicans elect congressmen in the Third, Fourth, Sixth, Eighth, Ninth, Eleventh, and Twelfth districts, and the Democrats in the First, Second, Fifth, Seventh, and Tenth districts. TENNESSEE. The entire Democratic ticket, with the exception of congressmen in the First and Second Districts, is elected. Turney (Democrat) is elected Governor by 30,000 plurality over Winstead (Republican) and Buchanan (Independent and endorsed by the Third party). The Legislature is overwhelmingly Democratic and will elect a Democratic United States Senator to succeed Bate (Democrat). Cleveland's majority will reach 50,000. INDIANA. The official returns from all the counties of Indiana, except one, give the Cleveland electoral ticket a plurality of 8,903. The one county not yet reported is Crawford, which at the last election gave a Democratic plurality of 183. The complete returns will show the Democratic plurality to be not far from 8,500.

THE GREATEST VICTORY EVER ACHIEVED BY THE FOLLOWERS OF JEFFERSON.

GROVER CLEVELAND SWEEP THE COUNTRY FROM CONNECTICUT TO CALIFORNIA.

OLD OHIO JOINS HANDS WITH ILLINOIS AND WISCONSIN TO DOWN PROTECTION BUNCO-STEERERS.

THE REPUBLICAN PARTY HASN'T A CORPORAL'S GUARD, AND EVEN WEAVER THREATENS TO DIVIDE MINOR HONORS WITH HARRISON. HARRISON THE WORST BEATEN CANDIDATE SINCE THE DAYS OF HORACE GREELY. STACK IS ELECTED.

Mr. Cleveland has swept the country from ocean to ocean, from the Lakes to the Gulf, and Mr. Harrison is the worst beaten candidate since the days of Horace Greely. There are now real doubts at Republican National Headquarters as to whether or not Mr. Harrison ever ran for President. The news gives the result in the several States in the two columns to the left. Here we propose to show how the vote will stand in the Electoral College:

With the above figures before us we are wondering whether or not the Republican party will ever attempt to place another ticket in the field. There is surely no straw to which they are clinging. The re-election of Mr. Cleveland is undoubtedly the greatest compliment that has ever been paid an American citizen. It was all due to their great confidence in his wisdom and integrity of character.

HOW CONGRESS STANDS. The latest report from the Congressional Bureau shows that the National House of Representatives will stand as follows: Democrats 213; Republicans 129; People's Party 14. This will give the Democrats full control of that branch. The Senate, it is thought will be in the hands of the Tariff Reformers by the following vote: Democrats 44, Republicans 40, People's Party 4. Thus it will be seen that the people's friends will have full control of the government, and unless the People's Party members prove to be traitors to the people, the country will prosper as it has never prospered before.

HOW GOES THE STATE? The latest returns from all over the State show that Cleveland's majority is 25,000, while Carr's is 32,000. Weaver and Exum polled a fair vote but the democrats gained in Republican counties what they lost by the Third Party.

Every Congressional District is Democratic. Cheatham, Settle and Pritchard are out in the cold. The majorities are as follows: in the 1st District 1900; in the Second, Woodard's District 1800; in the Third, Grady's District 3000; in the Fourth, Bunn's District 1500; in the Fifth, Williams's District 47; in the Sixth, Alexander's District, 9000; in the 7th, Henderson's District, 3,200; in the Eighth, Bower's District 2300; in the Ninth, Crawford's District 200.

Deserving Praise. We desire to say to our citizens that for years we have been selling Dr. King's New Discovery for Consumption, Dr. King's New Life Pills, Bucklen's Arnica Salve and Electric Bitters, and have never had a complaint that we could not cure. If you have any of these troubles, please send us your name and address, and we will send you a free trial bottle. If you are satisfied, we will send you a full supply. If you are not, we will refund your money. These remedies have been used for years and their efficacy is proven. They are sold everywhere. Write for circulars to Geo. P. GLOOM IN WASHINGTON.

Republican Place-Holders Quake Excitement Among Democrats, However.

WASHINGTON, D. C., Nov. 9.—The air of depression throughout the Executive department this morning was so dense that it could almost be felt. Now and then some caller would pluck up spirit enough to ask for the returns from some State supposed to be still doubtful, but with no hope of hearing favorable news. Of course, the vast majority of the employees are sheltered beneath the broad wings of the civil-service law, and therefore do not feel that direct personal and pecuniary interest in the result that characterized the clerks in the older days of political revolution in office.

Many Democrats are also included in their ranks—relies of the Cleveland administration and the protective influence of the civil-service law. As President Harrison and President-elect Cleveland are both committed to the earnest enforcement of this law, the rank and file feel tolerably easy as to the result. But the many bureau chiefs, heads of divisions, and private secretaries, are downcast to-day at the result, for it means much to them. Secretary of State Foster attributes the Republican defeat to the tariff. The party he says, challenged the judgment of the country on the McKinley bill, and the verdict must be accepted as the will of the people that a different policy shall be adopted. Other questions connected somewhat into the content, but not to such an extent as to materially affect the result. Nor would it have been different if other candidates had been selected or other leaders had managed the campaign. No administration ever went before the country with a cleaner record. It is the policy, not the personnel, of the administration that has been condemned.

It is a view of the matter the Secretary was gratified that Mr. Cleveland was likely to be sustained by a party majority in both branches of the Congress so that the new policy may have a full and fair trial. Secretary Tracy, who had vainly contrived his vote yesterday morning in Brooklyn to check the overwhelming Democratic onslaught, and had hurried over to Washington to sit up with the President last night, was in that happy frame of mind which comes to the man who has done his best and knows it. His own State had "gone to the demission bow-wow," but he "could not help it," and was actually cheerful in his resignation. If he knows what brought about his party's downfall, he won't tell it just now, and he is also waiting for the returns before he expresses publicly any opinion. He left Washington at 2:30 o'clock this afternoon for New York, in order to be present and represent the Navy Department at the launch of the new cruiser Cincinnati to-morrow at noon.

A SERIOUS ELECTION ROW.

ASHVILLE, Nov. 10.—News has been received here of the bloody and fatal battle election day at Big Rock Creek voting place, Mitchell county, as the result of a long standing feud between the Garland and Harrell families, both Republicans but members of opposing factions of the party. A fight started because of something one of this Harrells did, which angered Garland, and instantly sympathizers of both sides took part. A regular pitched battle followed, the weapons being rocks, knives and clubs. The battle continued several minutes and the men went down like chaff before the wind under the effect of stabs and fierce blows which rained down. Sheriff Robt. Bradshaw fought bravely to suppress the trouble, without effect. When he came out the officer was completely covered with blood. The men had stopped finally from sheer exhaustion. It was found there that Monroe Garland and Crownlow Stanley had stabbed each other and both were dying. Clingman Harrell and two sons were so badly wounded and bruised as to render death certain. The wounded were lying around on all sides. Louis Garland and two other men are also expected to die, while eight others who participated had brokenheads and were otherwise painfully injured. During the fight somebody stole the ballot box and burned it with all the ballots. In Swain county an old family feud cropped out between the Becks and Bradleys. The elder Beck was killed, one son seriously wounded by Bradley.
