A TRUE STORY.

In a cabin at the foot of the Blue Ridge Mountains, lived a beau-tiful girl with her aged father. They were very poor, and as their little "Mountain Home" was soon to be sold under a mortgage, it was with joy that the old father welcomed as a suitor for his daughter's with joy that the old lather welcomed as a suitor for his daughter's hand, an old and wealthy friend of his youth, who having come to pay him a visit, had fallen in love with the charming girl. She having lived so long in poverty was quite carried away with the tales told her by the rich old friend, regarding the wealth and splendor of his city home, and he offered her land, gold, and diamonds if she would ecome his bride. She had a dark-eyed mountain lover, who was too poor to offer her anything but roses. Which did she choose? The mestion is answered in the (3) verse song and chorus, entitled:

'DIAMONDS OR ROSES?"

Words and Music by C. H. ADDISON.
