The Missing Under

The morning was warm, and he imprudently made a change in his under-clothing. Our climate is deceptive. Before evening there came up a chilly storm. An attack of sickness followed of course. But PERRY DAVIS'S PAIN KILLER was used for relief, with the happiest effect. In these Summer months of suddenly varying temperature, everybody ought to keep a bottle of this valuable remedy within reach.

Rheumatism

Neuralgia, Sprains, Pain in the Back and Side.

There is nothing more painful than these diseases; but the pain can be removed and the disease cured by use of Perry Davis' Pain Killer.

This remedy is not a cheap Benzine or Petroleum product that must be kept away from fire or heat to avoid danger of explosion, nor is it an untried experiment that may do more harm than good.

Pain Killer has been in constant use for forty years, and the universal testimony from all parts of the world is, it never fails. It not only effects a permanent cure, but it relieves pain almost instantaneously. Being a purely vegetable remedy, it is safe in the hands of the most inexperienced.

The record of cures by the use of PAIN KILLER would fill volumes. The following extracts from letters received show what those who have tried it think:

Edgar Cady Owatonna, Minn., says: About a year since my wife became subject to severe suffering from rheumatism. Our resort was to the PAIN KILLER, which speedily relieved her.

Charles Powell writes from the Sailors' Home, London: I had been afflicted three years with neuralgia and violent spasms of the stomach. The doctors at Westminster Hospital gave up my case in despair. I tried your PAIN KILLER, and it gave me immediate relief. I have regained my strength, and am now able to follow my usual occupation.

G. H. Walworth, Saco, Me., writes: I experienced immediate relief from pain in the side by the use of your PAIN KILLER.

E. York says: I have used your PAIN KILLER for rheumatism, and have received great benefit.

Barton Seaman says: I have used PAIN KILLER for thirty years, and have found it a never-failing remedy for rheumatism and lameness.

Mr. Burditt writes: It never fails to give relief in cases of rheumatism.

Phil. Gilbert, Somerset, Pa., writes: From actual use, I know your PAIN KILLER is the best medicine I can get.

All druggists keep PAIN KILLER. Its price is so low that it is within the reach of all, and it will save many times its cost in doctor's bills. 25c., 50c., and \$1.00 a bottle.

He had two Balls in His Stomach.

He put them there because it was the fashion at his boarding-house. They were codfish balls. But the boarders found that putting too many codfish balls in their stomach produced dyspepsia, especially when washed down with salt Mackerel and tough steak. Had they not found that PERRY DAVIS'S PAIN KILLER cured dyspepsia, their boarding house fare would have killed them.

Diphtheria.

A cold or sore throat may not seem to amount to much, and if promptly attended to can easily be cured; but neglect is often followed by consumption or diphtheria. No medicine has ever been discovered which acts so quickly and surely in such cases as PERRY DAVIS'S PAIN KILLER. The prompt use of this invaluable remedy has saved thousands of lives.

PERRY DAVIS'S PAIN KILLER is not an experiment. It has been before the public for forty years, and is most valued where it is best known.

A few extracts from voluntary testimonials read as follows:

PAIN KILLER has been my household remedy for colds for the past twenty-seven years, and have never known it fail in eliciting a cure.—L. S. CROCKER, Williamsville, N. Y.

For thirty years I have used PAIN KILLER, and found it a never-failing remedy for colds and sore throat.—BARON SEAMAN.

Have received immediate relief from colds and sore throat, and consider your PAIN KILLER an invaluable remedy.—Geo. B. EVERETT, Dickinson, N. Y.

I have just recovered from a very severe cold, which I have had for some time. I could get no relief until I tried your PAIN KILLER, which relieved me immediately. I will never again be without it.—C. O. FORCE, Lowndes, Ga.

Have used PAIN KILLER in my family for forty years, and have never known it to fail.—RANSOM LEWIS, Waynesboro, Ga.

I began using PAIN KILLER in my family twenty-five years ago and have used it ever since, and have found no medicine to take its place.—B. W. DYER, Druggist, Danville, N. Y.

For whooping-cough and croup it is the best preparation made. We would not be without it.—A. P. ROUTS, Liberty Mills, Va.

For twenty-five years I have used PAIN KILLER for colds and chapped lips, and consider it the best medicine ever offered.—Geo. HOOPER, Wilmington, N. C.

I was suffering severely with bronchitis, and my throat was so inflamed I could scarcely swallow any food. I was advised to try your PAIN KILLER, and after taking a few doses was completely cured.—T. WILKINSON.

Dr. WALTON writes from Cochoctoc: Your PAIN KILLER cures diphtheria and sore throat, so alarmingly prevalent here, and has not been known to fail in a single instance. This fact you should make known in the world.

Mrs. ELLEN B. MASON writes: My son was taken violently sick with diphtheria, high fever, and cold chills. So many children have died here, I was afraid to call a physician, and tried your PAIN KILLER. He was taken on Sunday, and on Wednesday his throat was clear. It was a wonderful cure, and I wish it could be known to the mothers who are losing so many children.

For Chills and Fever PAIN KILLER has no equal. It cures when everything else fails. Delays are often dangerous. A bottle of PAIN KILLER in the house is a safeguard that no family should be without.

All druggists sell it at 25c., 50c., and \$1.00 per bottle.
