JOURNAL OF LAW.

A POPULAR PERIODICAL, Conducted by an Association of Members of the Bar.

PUBLISHED SEMI-MONTHLY Ignorance of the Law. excuseth no man. COMMENCED JULY 7, 1830

Published at the Office of the Journal of HEALTH. No. 108 Chesnut-Street opposite the Post Of fice, Philadelphia, on the first & third Wednes days of every month. Price \$1 50 per annum

The Journal of Law has been received in the most flattering manner by the gentiemen of the Bar, in our own and the other States of the Union; while the public press has already spoken in the to its predecessors. most decided approbation of the plan and characnumbers which have appeared

In presenting to our fellow citizens the first John F Schoeder, D. D | Gulian C Verplanck, number of a new work it is proper to state the Fitz-Greene Halleck views and purposes with which it has been under- Charles Spragues.

It is always important that the inhabitants of a country should possess a general knowledge of Prosper M. Wermore lieved to be equal to any ever offered by the Laws by which they are governed, and espe cially of those regulations which affect them in the persuit and transaction of their ordinary business. In the United States, where the People Samuel Woodworth, exercise so controlling an influence on leg. in James Shea. tion, it is emphatically necessery that they should C. C. Vanarsdale, be, to the greatest attainable extent, instructed in the philosophy of general jurisprudence, and in the state and leading principles of our own. Unless such instruction be willely diffused, what is good in our system cannot be secure from inno-

It is believed, too, that any effort must be de serving of encouragement, which may tend to produce a greater degree of uniformity in the regulations of the different States, on those sub- street, the Brick Meeting, &c. with all the our private intercourse and relations of business, town. or otherwise, we are one people, while, as for as regards the laws by which our conduct and con-DESPECTFULLY mform his old friends and wenty-four distinct immunities, in each of which shipping, steamboats, small craft, &c. 412. It the public in general, that he has just open a rule of action is prescribed, differing more or cluding a distant sketch of Staten Island en a very extensive assortment of GOODS less from that which prevails in any one of the others. Inconvenience from this source, to a certain extent. is already felt; and unless the venience to a much greater extent must be

In endeavoring to be useful, we desire to be of the same at reduced prices, to those who will entertaining also, and have therefore embraced. in our scheme, the introduction of a suitable quantity of the lighter matter which is usually found in the pages of a literary journal.

Our aim will be to afferd to our reader struction without todiousness, and amusemen

withou frivality The Journal of Law, addressing itself to the People of the United Strees, will be principal devoted to the exposition, in popular language of the philosophy, history and actual state of law and government in different countries-of and from a desire to preserve from oblivion our own constitutions state and nation d-laws civil and criminal - jud cial systems and modes of procedure—to ether with particular essays of hose branches of the la . a knowledge of which may be most practically useful to men engaged in active pursuits; as for instance, the law of corporations, patents, insurance, bills of ex change, and commercial and other contracts, in all their varieties, real estate with the modes of

cy, &c. &c. &c. & We shall endeavor always to inculcate those rinciples of sound morality, the preservation of which is the legitimate purpose of all laws. the it is to be feared that no existing system is, in all vancing the price of this paper to five dol fects in the principles, provisions and administration of our own shall be candidly and fear-

lessly noted. Reports of interesting decided cases, biogra phies of emineat lawyers and others, medical ju rispendence, sketches of the legal, literary and benevolent instituti us of various countries, anechotes, and the various topics of general literature will be considered within the scope of this Journal.

To our professional brethren in the different States, we appeal with confidence, for assistance to distant contributors a suitable remuneration for their lavors.

MEDICAL COMPANION. FAMILY PHYSICIAN;

TREATING OF THE DISEASES OF THE UNITED STATES With their symptom, causes, cure, and means prevention: com:non cases in Surgery ; the management and diseases of Women and Children: a Dispensatory, for preparing Family Medicines, and a

Glossary explaining Technical terms - Also, the Nurse's duide.

The Seventh Edition, Revised, en arged, & very considerably improved BY JAMES EWELL, M. D.

On the important subject of domestic mediine, many books have been written, which tho gh excellent in other respects, have greatly failed of usefulness to Americans; because they treat of diseases which, existing in very foreign elimates and constitutions, must widely differ from ours. The book now offered to the public has herefore, the great advantage of having been written by a native American, of long and suc cessful practice in the southern states, and who, for years past, has turned much of his attention to the composition of it

To every family, more especially those in re more situations, the possession of this book must unquestionably, be of incalculable value; for conducted by such a guide, it will not be pre sumptuous to say that any person of interable capacity, and reasonable attention, may be enathose cases of simple diseases most incident to our climate.

RECOMMEND. TIONS.

In testimony of the merits of this work, the fol lowing commendations, by some of the most distinguished medical characters of the United states, are inserted

Baltimore Nov 18, 1822. DEAR SIR: I have been truly gratified in the

Companion, or Family Physician The improvements made in this new impression of your work, compared with the former editions are indeed extensive and important Independ ent of your having enlarged considerably on diseases generally, you have introduced additional matter which greatly enhances its value. The introduction of the Nurse's Guide, as also the treatise you have given on the management of le sed to be present at the commencement of the male complaints, will have the most happy effects course, as much inquiry will result from delay in in correcting the gross errors daily committed by ignorant persons, and thereby save many valua

I do not hesitate to say, that this new edition of your Medical Companion, is decidedly the best popular treatise on medicine, that has ever been IV .- Wall-street, about the hour of three; published; and considering it, as I verily do, a the Exchange, the various Banks, and other safe and useful guide for heads of families, as well as for young practitioners of medicine I take as for young practitioners of medicine I take CHARLES ALEXANDER, much pleasure in recommending it to the atten. Publisher of the Daily Curonicie, and knowns tion of our fellow citizens, both in town and country.

> I will only add, if your book meets with that encouragement, to which it is justly entitled, you will very soon be called upon, by the public, for another edition.

> I am dear sir, with much respect, your friend and servant,

COLIN MACKENZIE, M. D. Dr. James Ewell

Philadelphia, August 13, 1816.

DEAR SIR: I have looked over, with some care, the copy of the Third Edition of the " Medical Companion" which you did me the favor te present to me new impression of the work, it is not only enlar

ged. but exceedingly improved. After stating so much, I need hardly repeat an opinion, which I publicly expressed on a former occasion, that I consider it, as indisputably, the most useful popular treatise on medicine with which I am acquainted.

Compared with the European Books of the ame nature, it has, especially in relation to the yearment of the diseases of pur own country, a ery decided superiority.

I trust that the success of this literary enterbelievolent disposition With great respect. I am, dear sir, yours, &c.

Philadelphia, December 31, 1807 DEAR SIR; I have carefully perused your in general, and especially to our own countrynen. I am really of opinion, that you are enti tled to much praise for the pains which you have taken in furnishing us with a work, the want of which has long been experienced among us.

Your friend, &c. B. S. BARTON, M. D.

N. CHAPMAN, M. D.

SUBSCRIPTION FOR IMPORTING

GRAPE VINE ROOTS.

From France, at a moderate price and encouraging the introduction of that culture into the United States

MR ALPHONSE LOUBAT having considerably enlarged his Vineyard, on Long Island, cultivation, thirty-five acres feetly intelligible. of ground, containing 72,000 Grape Roots, of which 22 000 are for his subscribers; having

with their Grape Vine Roots, before the First of annually, will be added to all subscriptions that March next, and forward them free of expense. to the different cities where subscription lists shall those who neglect to settle up their arrears. have been opened. The roots will be three years Great attention will be paid to forwarding the old, and will produce considerable fruit the second year from the time of their being planted. Ceive it uninjured by mail transportation. Agents They will be carefully classed and packed in box es, with some of the original soil in which they to the publishers, will be allowed 16 per cent, dishave been raised, which will greatly facilitate the count, or a proportionate number of copies of the briving of the roots, when transplanted.

Orders will be punctually attended to: the subscribers designating the quantities and species of the Grape Vine Roots they wish to have—
They will engage to pay, for 1000 roots, or more, at the rate of 12 1-2 cents for each root; for less than 1000, at the rate of 15 cents; and 25 cents per root for less than 50- Roots only two years old, shall be paid for at the rate of 9 cents each, each, for 1000 or more; 12 1 2 cents for less than 1000; and 18 cents for less than 50 roots. Payment to be made on delivery of the roots.

Orders are received by T. WATSON, Agent.

WILLIAM IND MARY COLLEGE. THE Lectures in this Institution, will come mence, as usual. on the last Monday in Oca

tober. The subjects taught are-1st. Belles Lettres, Ristoric, Logic,) A. En. Moral Philosophy, Criticism in refe PIEPres, rence to the Pine Acts, and the Philos and Prosophy of the Passions. 2d. Mathematics-F. S. CAMPBELL STEWART.

Professor 3d Law and Police-James Semple, Profes 4ti Political Law and History-Tuomas R DEW, Professor

5th Ancient Languages-DABNEY BROWN. Protessor. 6th Natural Philosophy and Chemistry-Wat B ROGERS, Professor. The expenses of a student for board, in-

clusing washing, fuel, &c Fres to three Professors \$20 each, and tetaphysical class from the 22d of February, \$10,

Matriculation Fee,

The expenses of a student, the 2d year, Law Students should bring with them, the Vire inia Laws, acts of Congress & Tucker's Black. stone. They will have the use of a well selected Library; necessary expenses for the course, 115 he School of Ancient Languages, in which, Arithmetic, English Grammar and Geography, make a part of the course of instruction, begins

on the 1st day of October, and ends on the last day of August: expenses The Faculty is not authorized to permit a sinen request of the parent or Guzrdian, nor in any case is more to be paid for board, than the charges above mentioned; one-half of which must be paid when the student enters College, and the other half, at the expiration of half the term, It is believed that the Laws and Regulations of this Institution as recently modified, present so many inducements to studious and orderly has bits, and provide so many checks to indolence and misconduct, as to secure the utmost diligence and propriety of behaviour on the part of perusal of the Sixth dition of your "Medical Scholars and Students. For the information of the religious community, it may be proper to remark that by a statute of the Visitors, the College Chapel has been opened, and Students (without being compelled) will have an opportunity of

attending prayers every morning previous to the commencement of the daily Collegiate exercises They, who are desirous to enter any of the Classes, the ensuing Session, are earnestly advithis particular
