It is bounded on the south by the river, on the west by the creek, on the north by Trent road, and on the east by the land of the late Wm. Dudley. There are clearings and enclosed within a good fence, about 400 acres. The soil is light, is of easy cultivation, and is never flooded by rain. The cleared land will average two barrels of corn to the thousand hills, and produce good crops of peas. The last crop of cotton averaged 550 pounds to the acre. The situation is healthy. Vessels land at the river bank. There are on the premises a dwelling house, two kitchens, two barns, pantry, dairy, gin-house and a Horse Mill, Negro houses, &c. An Orchard of apple and peach trees; A Vineyard of 4 acres, the vines of which are mostly scaffolded and in a state of bearing fruit, and will soon be capable of making 1000 gallons of wine: A bricked well of good water. This is a desirable situation to a farmer who may wish to live in, or near to Newbern. Lots Nos. 19 & 20, with the Dwelling-house and other improvements thereon, in Dryborough, adjoining the Town of Newbern. The framing and featherboarding of the dwelling are of cypress, and show no decay. There is a pump of good water at the premises. This property is subject to no town tax, and is free from the danger of fire from other buildings. Nine hundred acres of land in Brice's Creek possession. A Mr. Tolson has a few acres of the adjoining possession cleared and ditched, which has yielded upwards of 10 barrels of corn to the acre. Six hundred and forty acres of land adjoining Bay river bridge, containing a valuable juniper swamp. Four hundred acres at the head of Little Swill Creek. Thirty-five feet front of lot No. 10 on Middle-street, occupied by M. H. Lente. Five Lots in Washington, N. C. Indian land, containing 150 acres, in Pamlico river. A Great Bargain!

THE Subscriber will sell, upon a liberal credit, his PLANTATION on Trent River, about nine miles from Newbern. The tract contains 2500 acres, of which 1000 are cleared and under good fence; the residue is well timbered, and much of it is good arable land as any on the river. It has a front on the Trent of 4 1/2 miles, and vessels of the largest class, navigating our waters, can lay along the bank and receive cargoes. The back lands are unequalled as ranges for stock, and the situation is as healthy as any in Jones county. The improvements consist of a good Dwelling House, Barn, Gin House, and the necessary out-houses.

Persons desirous of making profitable investments of capital, are invited to visit the premises, and for further information apply to

SCHUYLER'S LUCKY PALACE OF FORTUNE.

—New York, 26th Sept. 1831.

Another great, grand and glorious victory—I thought so—No mistake in Schuyler—No sham—Splendid realities—Just like Schuyler—Drawing of the N. Y. Mammoth Lottery, Extra Class No. 18—

4 22 31 21 8 14
No. 21, 31, 4, the capital of \$20,000, was actually sold by Schuyler, to two gentlemen from the South. By special permission, I am allowed to publish their names. It is but seldom I have this privilege from the lucky holders of the many splendid capitals that are weekly obtained from my office. The names of the holders of the prizes are Messrs. Benjamin C. Eaton of Halifax N. C. & James Gordon of Norfolk, Virginia. The prize was presented the day after the drawing, and the current cash promptly paid for the same, and the ticket is, as usual, displayed in Schuyler's window. I also sold many other of the comfortable, too numerous to mention in this advertisement—particulars in my Lottery Herald. The largest capital of \$50,000, was sent by the Managers to their Agent at Pittsburg, Penn.; no vendor in this city had any thing to do with it. This notice is necessary, in consequence of one of the Venders, who endeavors to puff the public into a belief that he had sent it out of the city. The other prizes were sold in small shares in this city.

Orders from abroad, for prizes as usual, to be directed
