FREE TRADE! No Combination!

Earthenware, Glass, China & Looking Glasses. THOMAS J. BARROW & Co. Importers, Number 88, Water-Street, New York.

HAVING made extensive connections with one of the largest and most approved Pottery in England, are enabled to offer one of the most extensive stocks in market, consisting of every variety of Earthenware, China, Glass, and Looking-Glasses, either repacked to order, or in the original package, at uncommonly low rates for Cash or City Acceptances.

The very liberal support hitherto received from our Southern friends, under the most trying circumstances, calls for our warmest thanks. We have survived thus far in the struggle with a body of men who have combined all their efforts to effect our destruction, simply because we will not join them in combining to compel the country merchant to pay an exorbitant price on his purchases in this line. We can only reiterate former assurances of using every exertion to promote the interest of our mercantile friends in the extent and variety of our stock, the lowness of our prices and the skill and care of our packers, depending upon a free trade as the only system which can give stability to the mutual interest of city and country merchants.

THOMAS J. BARROW & Co. 88 Water St. New York. January 25, 1832.

THE HIGHEST CASH PRICES WILL be given for likely young Negroes of both sexes, from one to 25 years of age.

A CARD. MRS. ALEXANDER

Continues to conduct her Seminary on the popular and improved Pestalozzian Plan, now so generally acknowledged to be superior to all others in its adaptation to the younger classes of children. The advantages connected with this method of instruction, consist chiefly in the rapid improvement which it imparts to the infant mind, as well as in the systematic and fascinating organization of its operations. In our Northern Cities, where it has acquired a high reputation, the benefits resulting from this system are strikingly illustrated in the effects it has produced, and the extensive patronage which distinguishes it from all others. Parents and Guardians who are unacquainted with this mode of instruction, and who may desire to witness its operations, are respectfully informed that Mrs. ALEXANDER'S Seminary is open every Monday forenoon for the reception of visitors. Children of both sexes, from 3 to 12 years of age are received upon the following terms.

For Spelling, Reading, Writing and Arithmetic, \$2 50 per quarter.

Geography and Grammar, in addition to the above branches, \$3 00.

Great Bargains for Sale!

PRESENTLY the Great Central Rail-Road will be commenced at Beaufort Harbour, and then the opportunity for good speculations will be gone by.

The sale of the following property was postponed to the first day of March County Court, being the third Monday, when the sale will positively take place at the Court House, at Public Auction.

Lot No. 72, corner of Ann and Craven-streets, in the town of Beaufort. On this lot is a good two story dwelling house, kitchen, and an office suitable for a Physician—also, seven vacant lots in the same square.

Lot No. 26, on Front-street, with a good two story dwelling house, kitchen, smoke house, &c. This situation is very pleasant and healthy, and would suit a planter in Craven or Jones counties, who wished to obtain a desirable and healthy residence for his family during the sickly months.

A small Warehouse 16 feet by 26, one and a half stories high, situated on Jaconias Pigott's lot, corner of Front and Craven-streets.

19000 square feet of Salt Vats, situated on Gallane's Point, near Beaufort, with 280 acres of good land. The Salt Works will make on an average, 1000 bushels of salt per annum. This situation is as healthy as any on the sea board.

300 acres of land, situated on the Clubfoot and Harlow's Creek Canal. 214 acres of this is rich alluvial soil, and will bring about ten barrels of corn to the acre. About 20 acres of this is cleared and under good fence—20 acres more have been partially cleared, and could be put in corn the ensuing spring. There are two houses on this land suitable for labourers.

450 acres of land on Petivier's Creek, with an excellent Mill-seat. A good rice plantation could be made on this land with very little expense.

About 15 acres of high Marsh, called Horse Island, near Shepherd's Point—also, one-third of 50 acres of Marsh, near the same place. It is highly probable the Central Rail-Road will commence at this place. The above Marshes afford fine situations for Steam Mills, Warehouses and Wharves. You can here have a wharf where vessels drawing 16 feet water can load and be at sea in half an hour, with almost any wind.

Two Slaves—Household and Kitchen Furniture—a quantity of Books—Medicines and Shop Furniture.

On the real estate, the following credits will be given:—one-fourth of the purchase must be paid the 1st of January, 1833; one-fourth the 1st January, 1834; one-fourth the 1st January, 1835; and one-fourth the 1st January, 1836.—Notes with approved security, bearing interest from the date, will be required. Credits on the personal estate will be made known on the day of sale. A large centre-board Flat, with cotton canvass sails, chain cable and anchor, will be sold at the above mentioned time and place.

JAMES MANNEY. Beaufort, Feb. 4th, 1832.
