INTERESTING HISTORY OF A SCOTISH EMI- from her nest. Again and again, Mr. M'Dougal GRANT, AND BEAUTIFUL TRAIT OF INDIAN CHA- wished to continue the chase alone; but mater-RACTER .- About twelve years ago, a person of nal anxiety baffled every remonstrance, and the name of M'Dougal, a native of Argyleshire, this anxiety was, if possible, increased, when emigrated to Upper Canada; from anxiety to she saw the painted savage enter the wood, and make the most of his scanty capital, or some steer, as she thought, his course towards his other motive, he purchased a location where the own cabin in the heart of the wild. The Indian, price of land was merely nominal, in a country however, was in no hurry; occasionally he cast thinly peopled, and on the extreme verge of a glance behind, poised the child almost like a civilization. His first care was to construct and feather, threaded his way with admirable dexplant a cabin in the wild, and this task finished, terity, and kept the swaddling clothes so closely he spent his whole time, early and late, in the drawn around it, that not even the winds of garden and the fields. By vigorous exertion, Heaven were permitted to visit it too roughly. and occasional assistance, he brought a few It is, of course, needless to go into all the deacres of ground under crop, acquired a stock of tails of this singular journey, farther than to cattle, sheep and hogs, made additional inroads say, that the Indian at last called a halt on the on the glade and the forest, and though his margin of a very beautiful prairie, teeming with toils were hard, gradually and imperceptibly the richest vegetation, and extending to several became in a rough way "well enough to live," thousand acres. In a moment, the child was as compared with the poverty he had abandoned restored to its parents, who, wondering what so at home. His greatest discomforts were dis- strange a proceeding could mean, stood for tance from neighbours, the Church, markets, some minutes panting for breath, and eyeing and even the mill; and, along with these, the one another in silent and speechless astonishsuspension, or rather the enjoyment, after long | ment. intervals of time, of those endearing charities | The Indian, on the other hand, appeared and friendly offices which lend such a charm to overjoyed at the success of his manœuvre, and to social life. On one occasion, M'Dougal had never did a human being frisk about and gesa melder of corn to grind, and, as the distance | ticulate with greater animation. We have read was considerable, and the roads none of the or heard of a professor of signs, and supposing smoothest, this important part of his duty could such a character were wanted, the selection only be performed by starting with the sun could not, or at least should not, be a matter and returning at the going down of the same. of difficulty, so long as even a remnant remains In his absence, the care of the cattle devolved of the aborigines of North America. All traon his spouse, and, as they did not return at vellers agree in describing their gestures as the usual hour, the careful matron went out in highly dignified, eloquent and intelligent; and quest of them. Beyond its mere outskirts, the we have the authority of Mr. M'Dougal for forest was to her terrar incognita, in the most saying, that the hero of the present strictly auemphatic sense of the term, and with no com- thentic tale, proved himself to be a perfect maspass or notched trees to guide her, it is not to ter of the art. The restoration of the child, be wondered at that she wandered long and the beauty and wide extent of the prairie, and wearily to very little purpose. Like Alps on various other circumstances combined, flashed Alps, tall trees rose on every side-a bound- across our countryman's mind, operating conless continuity of shade; and, fatigued with the viction where jealousy and distrust had lurked Rippon's, Watts', Zion's Songs. search, she deemed it prudent to retrace her before: and as the Indian stood before him, his steps while it was yet time. But this resolution eyes beaming with benevolence and intelligence, was much easier formed than executed; return- his arms extended, and, along with his body, ing was as dangerous as "going o'er;" and af- thrown into the most varied and speaking attiter wandering for hours, she sunk on the ground, tudes, he became more and more satisfied that her eyes swollen and filled with tears, and her his speech, if given in broken English, would mind agitated almost to distraction. But here have run very nearly as follows ;- "You doubt she had not rested many minutes until she was Indian; you think him treacherous; you think startled by the sound of approaching footsteps, him wish to steal the child. No, no; Indian and anonan Indian hunter stood before her-"a has tribe and child of his own; Indian knew stoic of the woods, a man without a tear." Mrs. you long ago; knew you when you first came. M'Dougal knew that Indians lived at no great and saw you when you not see Indian; saw you distance, but as she had never seen a member of poor but hard-working man; some white men the tribe, her first emotions were those of ter- bad, and hurt Indian; you not bad; hurt no one, ror; quickening, it may be said, every pulse, but work hard for your wife and child; saw you and yet palsying every limb. The Indian's choose bad place; Indian pitied you; never views were more comprehensive; constantly make rich there; saw your cattle far in forest; on the look-out in search of the quarry, and thought you come catch them; you not come; accustomed to make circuits comprising the your wife come; Indian find her faint and weasuperfices of many a Highland mountain and ry; Indian take her home; fear go in; think Inglen, he had observed without being observed dian kill and eat her; no, no; Indian lead her himself; knew her home, recognised her per- back; Indian meet you; very sad; then very son, comprehended her mishap, divined her glad to see her; you kind to Indian; give him rrand, and immediately beek oned to her meat, drink, and better cloths than your own; to rise and follow him. The unfortunate Indian grateful; wish you to come here; not woman understood the signal, and obeyed come; Indian go again; not come; Indian very it in as far as terror left her power; and after sorry; take the child; not run fast; know you Bonaparte Life of Nelson. a lenthened sweep, which added not a little to would follow child. Look round! plenty ground her previous fatigue, they arrived at the door of -rich, rich; Indian love the deer, and the birds an Indian wigwam. Her conductor invited her and beasts of the field; the chase make him to enter by signs; but this she sternly refused strong; his father loved the chase; if Indian to do, dreading the consequences, and prefer- farm, Indian farm here; look round! plenty of ring death in the open air to the tender mercies ground-rich, rich; many, many cattle feed of cannibals within. Perceiving her reluctance, here; trees not many on that side; make road and scanning her feelings, the hospitable Indian in less than half a moon; Indians help you; come, darted into the wigwam, and communed with come-Indian your friend-come live here." his wife, who, in a few minutes, also appeared, Mr. M'Dougal, in a trice, examined the soil, and, by certain signs and sympathies known and immediately saw the propriety of the adonly to females, calmed the stranger's fears, vice given by the untutored, but by no means and induced her to enter their lowly abode. unintelligent or unobserving savage-if savage, Venison was instantly prepared for supper, and in deference to custom, he must still be called. Mrs. M'Dougal, though still alarmed at the By a sort of tacit agreement, a day was fixed novelty of her situation, found the viands de- for the removal of the materials of our countrylicious, and had rarely, if ever partaken of so man's cabin, goods, and chattles; and the Insavoury a meal. Aware that she was wearied, dian, true to his word, brought a detachment the Indian removed from their place near the of his tribe to assist in one of the most romantic roof, two beautiful deer-skins, and by stretch- "flittings" that ever was undertaken, whether ing and fixing them across, divided the wig- in the new or old world. In a few days, a wam into two compartments. Mats were also roomy log-house was fashioned, and a garden en to understand, that the farther dormitory prairie, from which the smoke was seen curl-Indian failed not to notice; and, after his pan- themselves, and impress upon their children. tomimic cloquence had been completely thrown away, he approached the cradle, seized the child, and darted out of the house with the speed of an antelope. The alarmed parents instantly followed, supplicating and imprecating at the top of their voices; but the Indian's resolves were fixed as fate; and away he went, slow enough to encourage his pursuers, but still in the van by a good many paces, and far enough ahead to achieve the secret purpose he

had formed, like the parent bird skimming the
