Vice President of the United States and President of the Senate, APPROVED, July 10, 1832. ANDREW JACKSON.

viduals for their military services.

sed the eleventh day of February, one thous- thirty-first degree of Latitude. disposed of.

APPROVED, July 3, 1832.

AN ACT to authorize the Governor of the Territory of Arkansas to select ten sections of land, granted to said Territory for the purpose of building a legislative house for said Territory, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That all the authority and power is hereby vested in, and given to the Governor of the Territory of Arkansas, which was vested in, and given to the Legislature of the Territory of Arkansas by an act of Congress of the second of March one thousand eight hundred and thirty-one, by which a quantity of land, not exceeding ten sections, was granted to said Territory for the purpose of raising a fund for the erection of a public building at Little Rock, the seat of Government of said Territory.

SEC. 2. And be it further enacted, That nothing herein contained shall be so construed as authorizing any expense on the part of the United States for selecting said lands, or building said house, other than the aforesaid grant of tensections of the unappropriated public lands. APPROVED, July 4, 1832.

RESOLUTION for the distribution of the returns of the Fifth Census.

Territories, the President and Vice President offered for sale at that place. of the United States, to each five copies; and to the Executive of each State and Territory, every State or Territorial Legislature, for the use of the body over which he presides; to the Societies and Athenœums in the United States, Library of Congress.

APPROVED, July 3, 1832.

the United States, to whom they have ESPECTFULLY inform the Printers of long been individually known as Letter Founders, that they have now formed a co-partnership in said business and hope from their united skill and extensive experience, to be able to give full satisfaction to all who may favor them with orders.

The introduction of machinery, in place of the tedious and unhealthy process of casting type by hand, long a desideratum by the European and American Founders, was by American ingenuity and a heavy expenditure of time and money on the part of our senior partner, first successfully accomplished. Extensive use of the machine cast letter, has fully tested and ektablished its superiority in every particular. over that cast by the old process.

The Letter Foundery business will hereafter be carried on by the parties before named, vnder the firm of White, Hager & Co. Their specimen exhibits a complete series from Diamond to 14 lines Pica; the book and news type being in the most moderate and light style.

White, Hager & Co. are agents for the sale of the Smith, and Rust Printing Presses, which factures' prices.

Chases, cases, composing sticks, Ink, and every article used in the Printing Businesskept on sale, and furnished on short notice. Old Type taken in exchange for new at nine cents per pound.

SCHUYLERS COURT OF FORTUNE More Chances for touching the leaders. NEVER DESPAIR.

Information for my distant patrons-I herewith annex a list of the brilliant classes of New York Lotteries next in order. I have lately (I am determined the public shall not forget it) sold the highest Capital of \$30,000, also, one of \$20,000, one of \$15,000, two of \$10,000, ohe of \$5,000; in the lottery that drew the 9th instant, the \$4,270, was sold on the day of drawry last lottery, the Third Capital in a whole ticket No. 3 21 30, \$2,000, was sent by mail to one of my customers in North Carolina-the \$1,000, and \$500 prizes, are of such every day occurrence, that they scarcely receive a passing notice, and were I to furnish a list of them, they would fill up my Mammoth Sheet. Those wishing tickets, are informed that money goes perfectly safe by mail enclosed in a letter, it plainly addressed to the subscriber. I scarce ever (out of the many hundred letters directed to me every week by post) hear of a miscarriage, and in all cases, the answers are promptly made by the return mail: as regards my integrity and responsibility, I am priviledged to refer to the first houses in this city, including the Managers; and also in Philadelphia, Baltimore, Richmond, Charleston, S. S. Savanah, and Augusta, Geo. It may not be generally known that the lotteries in this state are speedily to be brought to a close, and I hope all who are in want of a Capital Prize, will embrace the present golden obportunity. I extremely regret that there are some among my numerous customers, who have been partially unsuccessful in their adventures, but they must never despair, as there is still "a shot in the locker, (as the large prizes are rolling from the Court of Fortune every
