NOTE.—The periods and quantities of each delivery at those posts where they are not specified, will be one-fourth 1st June, 1st September, 1st December, 1833, and 1st March, 1834. The hogs of which the pork is packed, to be fattened on corn, and each hog to weigh not less than two hundred pounds, and except where the quality is otherwise designated, will consist of one hog to each barrel, excluding the feet, legs, ears and snout.

Side pieces may be substituted for the hams. The pork to be carefully packed with Turks Island salt: and in pieces not exceeding ten pounds weight each. The pork and vinegar to be contained in seasoned heart of white oak barrels, full hooped; and the soap and candles in strong boxes of convenient size for transportation. Salt will only be received by measurement of thirty-two quarts to the bushel. The candles to have cotton wicks. The provisions for Fort Armstrong Prairie du Chien, and Saint Peters, must pass Saint Louis for their ultimate destination, by the 15th April, 1833. A failure in this particular, will be considered a breach of contract, and the Department will be authorized to purchase to supply these posts. The provisions will be inspected at the time and place of delivery; and all expenses are to be paid by contractors, until they are deposited at such store houses as may be designated by the agent of the Department. The Commissary general reserves the privilege of increasing or diminishing the quantities or of dispensing with one or more articles at any time before entering into contracts; and also of increasing or reducing the quantities of each delivery one-third, subsequent to the contract, on giving sixty days previous notice. Bidders, not heretofore contractors, are required to accompany their proposals with evidence of their ability, together with the names of their sureties, whose responsibility must be certified to by the District Attorney, or by some person well known to the government; otherwise their proposals will not be acted on.

Advances cannot be made in any case, and evidence of inspection and full delivery will be required at this office, before payment can be made, which will be either in drafts on the Department at Washington, or some Atlantic city; or in Treasury drafts, on specie paying Banks to the Westward.

Each proposal to be sealed in a separate envelope, and marked "Proposals for furnishing Army Subsistence."

Sylvester's,  
130, BROADWAY, NEW YORK.  
THE truly all lucky Sylvester, continues to take the lead in disposing Fortune's Favours to those who resort to him. He has, during the last two months, sold the Capital Prizes of \$30,000; on the 4th April, \$20,000, on the 18th April, \$10,000; on the 9th May, \$20,000, and on Wednesday last, another \$20,000—all of which he also promptly paid—besides many others of \$5000, \$3000, \$1000, \$500, \$100, &c.

It is not probably generally known, that but a short period has now to elapse before the New York Lotteries will terminate; those, therefore, who are desirous of adventuring, will do well to make early application. Sylvester's REPORTER, Counterfeit Detector, &c. being now the size of the daily papers, is published every Wednesday evening. It contains much interesting reading matter, and is beyond comparison, more correct in its information upon Broken Banks, Counterfeits, price of Stocks, and Lotteries, than any other paper now published.—It is given and sent gratis to all who deal with Sylvester.

Orders for packages or single tickets in either of the above lotteries should be forwarded as early as practicable. Please Address  
S. J. SYLVESTER,  
130 Broad Way.

When one or more tickets are ordered, postage need not be paid.  
A discount of five per cent. will be allowed to those who purchase packages.  
When a certificate is ordered, it is only requisite to remit the difference between the cost and the sum warranted to be drawn.

Letters will receive the same attention as personal application, and a statement of the drawing will be forwarded to each adventurer.
