Note.—The periods and quantities of each delivery at those posts where they are not specified, will be one fourth 1st June, 1st September, 1st December 1834, and 1st March 1835. The hogs of which the pork is packed, to be fattened on corn, and each hog to weigh not less than two hundred pounds, and except where the quality is otherwise designated, will consist of one hog to each barrel, excluding the feet, legs, ears, and snout. Side pieces may be substituted for the hams.

The pork to be carefully packed with Turks Island salt; and in pieces not exceeding ten pounds weight each. The pork and vinegar to be contained in seasoned heart of white oak or white ash barrels, full hooped; the rice in air tight barrels; and the soap and candles in strong boxes of convenient size for transportation. Salt will only be received by measurement of thirty-two quarts to the bushel. The candles to have cotton wicks.

The provisions Fort Armstrong, Prairie du Chien, and Saint Peters, must pass Saint Louis for their ultimate destination, by the 15th April, 1834.

A failure in this particular, will be considered a breach of contract, and the Department will be authorized to purchase to supply these posts. The provisions will be inspected at the time and place of delivery; and all expenses are to be paid by contractors, until they are deposited at such store-houses as may be designated by the agent of the Department. The Commissary General reserves the privilege of increasing or diminishing the quantities or of dispensing with one or more articles at any time before entering into contracts; and also of increasing or reducing the quantities of each delivery one-third, subsequent to the contract, on giving sixty days previous notice. Bidders, not heretofore contractors, are required to accompany their proposals with evidence of their ability, together with the names of their sureties, whose responsibility must be certified to by the District Attorney, or by some person well known to the Government; otherwise their proposals will not be acted on. Advances cannot be made in any case, and evidence of inspection and full delivery will be required at this office, before payment can be made, which will be either in drafts on the Department at Washington, or some Atlantic city, or in Treasury drafts, on specie paying Banks to the Westward.

Each proposal to be sealed in a separate envelope, and marked—"Proposals for furnishing Army subsistence."

GEO. GIBSON, C. G. S.

TREASURY DEPARTMENT,
April 12th, 1833.
IN the late conflagration of the Treasury building, nearly all the correspondence of the Secretary of the Treasury, from the establishment of the Department to the 31st March, 1833, was destroyed including, as well the original letters and communications addressed to the Secretary of the Treasury, as the records of the letters and communications written by him. With a view to repair the loss, as far as may be practicable, all officers of the United States, are requested to cause copies to be prepared, and authenticated by them, of any letters (excepting those hereinafter alluded to, which they may at any time have written to) or received from, the Secretary of the Treasury; and all those who have been in office, and other individuals throughout the United States, are invited to do the same. That this correspondence may be arranged into appropriate books, it is requested that it be copied on folio foolscap paper, with a sufficient margin on all sides to admit of binding, and that no more than one letter be contained on a leaf. It is also requested, that the copies be written in a plain and distinct or engrossing hand. Where the original letter can be spared it would be preferred. The reasonable expense incurred in copying the papers now requested, not exceeding the rate of ten cents for every hundred words, will be defrayed by the Department. The correspondence which has been saved, and of which, therefore, no copies are desired, are the records of the letters written by the Secretary of the Treasury to Presidents and Cashiers of Banks, from the 1st October, 1819, to the 20th February, 1833; all the correspondence relating to Revolutionary claims under the act of 15th May, 1828, and to claims of Virginia officers to half pay, under the act of 5th July, 1832; and to applications for the benefits of the acts of the 2d March, 1831, and 14th July, 1832, for the relief of certain insolvent debtors of the United States. Copies of some circular letters and instructions, written by the Secretary, have also been preserved; and it is requested that, before a copy be made of any circular letter or instruction, written by the Secretary of the Treasury, the date and object of the circular be first stated to the Department, and its wishes on the subject ascertained.
LOUIS McLANE,
Secretary of the Treasury.
