How far they were sincere in this, I will tions he has received, and of the character of the; are tracked on every step of their way not undertake to decide. They continued his supporters; their support during the early part of the first term of the President, when it was suddenly withdrawn, and for reasons of which the public, at the time, formed an opinion. Is it necessary to say more on this point? Does the gentleman understand me?

Jackson's popularity, which has occasioned so tion. The one an illiterate buffoon, with scarce- of those who should fall. Arrived within strimuch uneasiness to some gentlemen, I will ly learning enough to write or spell his own king distance almost of the comrades they now, sir, inform those gentlemen what I be-lieve is the true explanation of this question. Intriguing politician, and friend of the United of the savages was made. Unappalled by the Sir, I will not do this in my own language, but States Bank. in the language of the greatest and best man "2d. By a majority of the Alabama Legisla- unshaken by the fatal aim which at once took moniac. Bouzoin Copal Campber Guiselle Stall this country ever produced, if we except one, ture, (shortly afterwards) composed of all the -and I am not sure, sir, there should be any Whigs and Nullifiers in that body, headed by exception. In the language then, of that James Jackson, and James M. Calhoun; the great and good man, I declare that the secret one a violent enemy, personal and political, of of Andrew Jackson's popularity is, that the Gen. Jackson, and the other a nephew of John people believe him to be "capable, honest, and C. Calhoun, and like him an avowed Nullifierfaithful to the constitution." These, and particularly the second, are the attributes which party, who were deluded into the belief that the have secured to him so strong, so invincible Whigs and Nullifiers were candid in their proa hold on the public confidence. We here fessions, and would have no candidate from their have the great secret of his popular powerthe charm, the talisman, by which this man has carried away the hearts of the people .-This is the true explanation of that great and Legislature, by a vote of 48 to 36. dangerous popularity which seems to have been so much dreaded by some, so much coveted by others. It is not his military fame, great as that is; it is not his opinions on the tariff, nor any other prrticular subject. No. The people rally around him, and support him, because they know him to be honest, capable, integrity, his firmness, his readiness to assume any responsibility regardless of all consehis country require it.

Sir, was the secret of the popularity of this

war upon the man the people have elevated Republicanism. to the highest station on earth, according to that the opposition was three distinct partieshe should have said factions-professing antagonist principles. Yes, sir, they unite in a warfare to overthrow the administration; they can unite to arraign, try, and condemn the President; but when they have reached that

him only as a general, as a successful military ion. leader; they appreciated the important services he had rendered his country, they gloried in his military fame; but when he was proposed for the highest civil trust, not knowing his personal character, or his qualifications for civil office, they hesitated, and withheld tions and falsehoods which had been circulated, had poisoned the minds of many, and epread far and wide the most inveterate prejudices. At the election of 1828, out of forty thousand voters, he received but four thousand the honesty of his purposes. And now, sir, the Presidency, by a vote of 32 to 18, and reinstead of four thousand, there are more than probated in the strongest terms the nomination twenty-four thousand, good men and true, of Judge White, as a violation of the known ready to sustain him and his administration. wishes of a large majority of the people of the This not from enthusiasm, or les military fame. State.

of his popularity I have already pointed out- tes completely the position he occupies before [Here the gentleman from South Carolina that popularity which his enemies profess not the people of the Union, and evinces clearly Mr. Preston) asked to explain, and said the to understand, which they seem so much to and conclusively that he is but the NULLIFIfear, and which some of them appear so much CATION WHIG candidate, or at least one of that he has returned to Newbern for the purto covet, so anxious to filch from him.
