A PROCLAMATION.

al article to the 'Freaty of Limits between the United States of America and the United Mexican States, the ratifications of which were exchanged in this city on the fifth day of April, one thousand eight hundred and thirty two, was concluded and signed by their Plenipotentiaries in the city of Mexico, on the third day of April, one thousand eight hundred and thirty-five, which Convention is word for word as fo'ows l:

article of which treaty is as follows: "To fix this line with more precision, and to place the land marks which shall designate exactly the limits of both nations, each of the contractnig parties shall appoint a commissioner and a surveyor, who shall meet before the termination of one year from the date of the ratification of this treaty at Natchitoches, on the Red River, and proceed to run and mark said line from the the Red river to the river Arkansas, and to asin the vacant pannels of the Rotundo; the sub- sidered as part of this treaty, and shall have ject to be left to the choice of the artist under the same force as if it were inserted therein. The two Governments will amicably agreerespecting the necessary articles to be furnished to those persons, and also as to their respective escorts, should such be deemed necessary:" And the ratifications of said treaty having been exchanged in the city of Washington, on the fifth day of April, in the year of 1832, but from various causes the contracting parties have been unable to perform the stipulations contained in the above mentioned third article, and the peand Charge d'Affaires of said States in Mezico. Gutierrez de Estrada, Secretary of State for Home and Foreign Affairs, and Jose Mariano Blasco, Secretary of the Treasury; and the said Plenipotentiares after having having mutually exchanged their full powers, found to be ample and in form, they have agreed and do hereby agree to the following second additional article to the said treaty.

Within the space of one year, to be estimated from the date of the exchange of the ratifications of this said additional article, there shall be appointed by the Government of the United States of America and the Mexican United States, each a commissioner and surveyor, for the purpose of fixing with more precision the dividing line, and for establishing the land marks of boundary and limits between the two nations, with the exactness stipulated by the third article of the Treaty of Limits, concluded and signed in Mexico on the 12th day of January, 1828, and the ratifications of which were exchanged in Washington city on the 5th day of April, 1832. And the present additional article shall have the same force and effect as if mentioned treaty of the 12th of January, 1828. and shall be approved and ratified in the man-ner prescribed by the constitutions of the respective States.

In faith of which the said Plenipotentiaries have hereunto set their respective seals.

Done in the city of Mexico on the 3d day of April, in the year of our Lord one thousand of America, and of the fifteenth of that of the United Mexican States.
