**The Result of the Contest Yesterday in Ohio, Indiana, and West Virginia.**

We present to our readers in this issue of the PATRIOT all the news we have up to the hour of going to press about the result of the elections yesterday in Ohio, Indiana and West Virginia.  
As far as the telegrams go they indicate pretty conclusively a decided victory for the Republicans in the two former States after a most vigorously waged contest in which both parties showed amazing strength, and polled a tremendous vote.  
The Republicans have unquestionably carried Ohio by an increased majority. And in Indiana, they claim to have elected their governor and a majority of the Legislature, and increased their representation in Congress.  
West-Virginia is Democratic.

While we were prepared to see Ohio carried by the Republicans, we confess the result in Indiana is a disappointment, for we confidently anticipated a different one.  
To-morrow we shall however have more definite figures and can take a clearer survey of the field.

**Not a Candidate.**

We are pleased to learn that Mr. R. M. Stafford, the present worthy Sheriff of Guilford county, declines to be an independent candidate for Sheriff; Mr. J. C. Cunningham, the Democratic nominee for that office having received a message from Mr. Stafford to that effect, last evening. Mr. Stafford has never publicly declared himself to be a candidate for re-election to the position, which he now fills with so much ability. True, rumors to the contrary have been in circulation, but it appears without any foundation whatever. The course of Mr. Stafford cannot be too highly commended by the people of Guilford, who have supported him for the position of Sheriff for the past several years.  
The action of Mr. Stafford leaves the contest for the Sheriffalty of Guilford between the nominees of the Democratic and Republican parties. Of course Mr. Cunningham will be elected by an overwhelming majority. He is a good business man, and in every way worthy of the support of the people of Guilford county.

Hon. A. S. Merrimon, one among the foremost statesmen in America, will speak at Graham, on next Saturday the 16th of October, 1880. The opportunity thus afforded our people to hear him, should not be neglected. No reasonable man, whatever may be his politics, can fail to be interested in what he will say.

The President and Directors of the New Garden Agricultural Society are doing all in their power to make the annual exhibition for 1880, which takes place on Thursday Oct. 22nd, a grand success: we believe their efforts will be successful. The people of Guilford should feel proud of their annual exhibitions and encourage them. The PATRIOT makes the following offer as special premiums, at this Fair:  
For the best general display of Domestic Manufactures, by a lady,—one annual subscription to the weekly PATRIOT.  
For the best one dozen Rolls made and exhibited by a lady,—one annual subscription to the weekly PATRIOT.  
For the best 5 pounds of butter, prepared by a lady, one annual subscription to the WEEKLY PATRIOT.  
For the best display of flowers by a lady, same premium as above.  
For the best display of Poultry, open to all exhibitors, same premium as above.  
These special premiums are offered with the hope of aiding the Society in increasing the quantity and character of its exhibits.

Won't some of our Merchants, and other business men follow in still larger premiums? Let one give a barrel of Flour, another a handsome dress, &c.

The PATRIOT will announce these Premiums daily if they are offered. Who will be the first?
