INCORRUPTIBLE TEETH
DR. S. P. DILLON.
Surgeon Dentist & Oculist.
HAVING concluded to remain in this place for several months, will attend the Courts of the adjoining counties to clean and file TEETH, and extract the decayed TEETH and remaining roots with care and safety, upon a new principle, with less pain to the patient than the former method. HE WILL ALSO FIT IN
ARTIFICIAL TEETH.

OF PLUGGING TEETH.
The benefit of this operation is so truly important, that it is impossible to recommend it too earnestly to the Public, but it is generally delayed too long before they can be effectually stopped; whereas, if performed at the commencement of decay, or before the nerves are exposed, they may not only be preserved for a short time, but for the period of a long life.
HE ALSO POSSESSES AN
ARCANUM
Which will destroy the nerve in an instant, without the least pain.—CARIOUS TEETH extracted without the aid of an instrument. He will also remove that stubborn and disagreeable disease, the Scurvy. Corns, Warts, and Nails growing into the flesh, removed in a few days. WITHOUT PAIN. He will also fit in an artificial Eye to correspond with the Natural Eye WITHOUT PAIN. A sufficient trial will be allowed before payment is demanded.

Twenty Dollars Reward.

RANAWAY, sometime in the month of May last, (while in the service of Col. Thomas Ousby,) a negro man by the name of William, belonging to the orphans of James Carstaphen deceased. He is about 21 or 22 years old, of common stature, yellow complexion, long bushy hair, his upper teeth a little decayed, and has a down look when spoken to. No other particular marks recollected. I have been informed that he was seen in the town of Halifax on Monday of the Christmas holidays, in company with another runaway negro; and it is supposed that he is now lurking in the neighborhood of the town of Halifax or somewhere in the county. His mother, (belonging to the same estate,) lives at Mr. Benj. Spruill's, in Scotland Neck, (who owns her husband,) where he may sometimes visit. He has other relations near the town of Halifax.
The above reward will be given for the apprehension and delivery of the said negro to me, or for his confinement in jail so that I get him again. All masters or owners of vessels, and others, are hereby cautioned against harboring or employing the said negro, as the law will be rigidly enforced against all such offenders.
