THE AMENDMENT

It is important in the changes of life, business and otherwise, to adopt suitable amendments to keep pace with progress in business and the affairs of life generally. In our constantly increasing trade we have carried out this principle as rapidly as demanded.

For this April and May trade it comes in the shape of a new and better class of Dress Goods. The trade is demanding a better variety of Ladies Wear of all kinds. Hence we have a greater and more desirable line of Spring and Summer Dress Goods than we have ever had.

The prettiest line of Waist Materials that has ever been shown in our town, Foulards, Cambrics, &c. The following named persons were appointed to list the taxes in the various townships for 1900:

Bingham—S. S. Webb, Cedar Grove—S. J. Hall, Chapel Hill—J. M. Lloyd, Hillsboro—John Kirkland, Little River—Sterling Browning.

On Wednesday, April 4th, the Commissioners met again at Hillsboro and drew the following jury for the Civil Term of Orange Superior Court to be held one week beginning May 28th:

Messrs S. J. Brockwell, D. P. Jordan, Samuel Couch, J. B. Dawson, C. D. Wilkerson, W. B. Holmes, George C. Wilson, T. J. Taylor, I. W. Pritchard, J. D. Webb, J. Wash. Fowler, Henry N. James, J. M. Womble, T. J. Harris, Doo E. Berry, W. E. Terry, James Whitted of Jake, T. M. Blalock, G. H. McAdams, James A. Smith, C. C. Smith of Cedar Grove, James A. Cheek, J. M. Thompson and R. L. Miller.

In almost every neighborhood there is some one whose life has been saved by Chamberlain's Colic, Cholera and Diarrhoea Remedy, or who has been cured of chronic diarrhoea by the use of that medicine.

Mr. Eli Sharpe, one of Orange county's best citizens, died at his home in Hillsboro, near the Alamance line, on Sunday, April 1st, aged about 75 years. He leaves a widow and six children.

Proceedings of County Commissioners.

The Board met at Hillsboro Monday, April 2nd, and disposed of considerable regular business.

Dr. C. D. Jones, County Physician, appeared before the Commissioners and recommended the building of a pest house for the care of smallpox patients. A tract of land lying south of the railroad, one mile from town, formerly belonging to William Wheaton, colored, and containing 15 acres, was purchased for this purpose, and a two room house will be erected at once. The price paid for the land was \$4 per acre. The location is said to be a good one.

On Tuesday, April 3rd, the Commissioners made their first quarterly visit for this year to the County Home for the Aged and Infirm. Everything was found in good order and the inmates are well cared for by Superintendent Jordan and his excellent wife. An epidemic of grippe is prevailing at the home and there has been four deaths of very old people from this disease within ten days.

The following named persons were appointed to list the taxes in the various townships for 1900:

Bingham—S. S. Webb, Cedar Grove—S. J. Hall, Chapel Hill—J. M. Lloyd, Hillsboro—John Kirkland, Little River—Sterling Browning.

SEVEN RUNNING SORES CURED BY JOHNSTON'S SARSAPARILLA QUART BOTTLES.

THE GREAT SPRING MEDICINE. JOHNSTON'S SARSAPARILLA as a Blood Food and Nerve Energizer, is the greatest SPRING MEDICINE ever discovered. It comes as a rich blessing from heaven to the "worn out," the run down, the overworked and debilitated.

It makes the antiquated (but now happily exploded) method in the good old times, to treat Salt Rheum, Scrofula, Cancer and other troublesome disorders arising from BLOOD TAINT with powerful alteratives, such as mercury, arsenic and other mineral agents. It was expected by this treatment that the poison could be killed while the blood was left to course through its channels holding in its circulation the specific germs of the disease.

But in this way, every part of the body became more or less diseased. Nothing can be more terrible than a horribly destructive blood taint. It not only attacks virulently the different structures of the body, but many times the bones are honey-combed and destroyed. It often seeks out the nerves and spinal cord, and again it will bring decay and death to some vital organ, as the kidneys, liver or stomach.

There is only one scientific method for the cure of blood taint. That is, PURIFICATION! Every particle of the blood must be removed through the excretory channels, the lungs, kidneys, bowels, liver and skin. "First pure, then peaceable." The great restorative, reconstructive and vitalizer of the blood, JOHNSTON'S SARSAPARILLA, not only radically and exhaustively removes the taint, but also removes all mercury, calomel and other minerals, and fills the veins and arteries with the ruby, glowing current of vitality. "The blood is the life." Good health means pure blood. The old and reliable remedy, JOHNSTON'S SARSAPARILLA, is universally regarded as the greatest Blood Purifier ever discovered. This fact is now established beyond question or cavil.

I used two bottles and was entirely cured. I know it is what cured me. Yours truly, G. W. LUTHER.
