THURSDAY, JAN. 15, 1880.

- The stalwart New England preachers are bloody minded.
- During the month of December of gold there was coined \$6,500,000; of silver \$2,500,000.
- Frank Leslie, the noted N. Y. Publisher is dead. His numerous publications will continue to be published as heretofore.
- Post Master General Key de-Mail.
- North Carolina for the two years during the same time will be 1,100,-000. The balance is on the right side, if it is but a small one.
- There are lots of mean people papers say, the ungrateful young men got together and divided up the property without consulting any lawyer. It is enough to discourage a good lawyer to see such selfishness display-
- very timely article on the "Law's the skin. But there are some young Delays" in its last issue, and suggests the establishment of separate civil and criminal courts.

be reached; and this fact deters many ingly. prudent men from prosecuting their rights in the courts.

Bitten by a Hog.

We regret to learn that our countyman, Hon. Jhot hog, a few days ago. He was having some hogs killed and while stabbing one, another rushed at him and bi him on his left hand, from which injury he is now prosecuting. suffering very much, as erysipelas has set in,- Chat-

Under Judge Clark's ruling we'll kill anybody's hog that tries to bite us in this part of the country. Erysipelas should always be avoided.

- The Republicans in Maine seem to be a sorry set, and it is possible that Governor Garcelon may have done only his duty in counting out a lot of them. Mr. Swan, a fusion representative swears that he was paid \$1,000 by a republican lawyer to resign his seat in the House, and the same amount was paid Harriman to do likewise, and several others state' that bribes were tendered them to resign.

It is to be hoped that they will South.

grees. Now, in Brunswick county of the parties entitled. Ga., peach trees are in bloom, and labors.

> For the Kinston Journal. My Theory of Crime. BY ARACHEL.

Zealous friends of the Temperance movement are in the habit of asserting that Intemperance is filling our lost. jails and penitentiaries with convicts.

We think that the true cause of the greatest amount of crime in our coun-

ignoranc. But it flows from a WANT OF PARENTAL DISCIPLINE. The fathers of the land have set aside the words of Solomon the Wise and have either adopted moral sussion as their rule of faith and practice, or alone. Laziness is at the bottom of this in many instances—but foolish weakness in more. Some parents, after indulging the child through the the one punishment. Too late! Too to pay for two harrows. defies parental authority and rushes

WASHINGTON, D. C., Jun. 13. Except a lively discussion on its proposed new rules, the House has been as One Senator presented a bill to increase facilities for hearing cases in the U.S. Courts, but with that exception nothing was done. Though there is no prospect of much financial legislation, the hope of a short session is not indulged in as much as it was a week ago.

A large proportion of the bills so those granting pensions to disabled pensions either through the proper Departments or by special act of Congress The special act feature is made necessary by the rigid rules of proof established at the Pension office, which frequently make it impossible to secure justice there. Owing to this state of facts there seems to be an almost unanimous It is now freely discussed in the agreement among Congressmen to re-New York clubs that a formidable organize the whole pension system. filibustering movement is on foot in A most any change will be a benefit to Northern Mexico. The object is to the two or three hundred thousand exsoldiers who have claims on file.

There has been a Conference here during the week, of gentlemen who describe themselves as "We, the representatives of the Grangers and farmers' open clubs, labor organization, the Greenback and National Labor parties, Should it promise to be successful, Union Greenback Labor Party," and leans. The Central Government is Presidential Convention. This is seven days later than the Republican Convention to be holden at the same place. No action has been taken by the Democratic Committee as yet, but it is believed Ciucinnatti will be selected, and that the day named will be in July.

Two high grade clerks have been dismissed from the Departments this A rumseller at Alleghany, Pa., week-one for overcharging for travelers, for pay. Government positions are not, as a general thing, desirable, though much sought after, but as a matter of news I may mention that there will probably be during the winter, an addition of a hundred or more clerks to the Interior Department force and that the selection will be made from those successfully passing a "competitive examination" in this city.

It does not appear, after all, to be too late to give the people of Maine a little good advice. This mornings despatches seem to indicate a fear on the part of Gen. Chamberlain, commanding the State Militia, that there may yet be violence. I know of no public man here who is not amazed at this. LEM.

There are now fifty-nine vessels of over sixty tons burden lying in our noble Cape Fear, and a beautiful sight it is. Come down and view the pleasing scene. Wilmington is booming.—Star
