THAT UMBRELLA

Detroit Free Press:

During the shower, yesterday a citizen carrying a very wet umbrella. entered a hotel to pay a call to some one up stairs. After placing his umbrella where it might drain he wrote upon a piece of paper and pinned to it the sentence.

"N, B.—This umbrella belongs to a man who strikes a 250 pounds blowback in fifteen minute."

He went his way up stairs, and after an absence sof fifteeu minutes returned to find his umbrella gone and in its place a note reading:

"P. S .- Umbrella taken by a man who walks ten miles an hour-won't

BILL NYE" ACCEPTS A POSTMASTERSHIP WASHINGTON, August 26 .- Among the latest commissions issued by Act. ing Postmaster General Hatton is one to "Bill Nye," lately appointed postmaster at Laramie City, W. T. Nye is the editor of a paper called the Daily Boomeramg. In accepting the nomina-

tion, he says: LARAMIE CITY, W. T., Aug. 19,

To My DEAR GENERAL -: I have received the news by telegraph of my nomination and confirmation as post. master at Laramie, and wish to extend my thanks for the same. I have ordered an entirely new set of boxes and postoffice outfit, including new corrugated cuspidores for use of clerks. I look upon the appointment myself as a triumph of eternal truth over error and wrong. It is one of the epochs, as I may say, in the Nation's onward march toward political purity and perpection. I don't know when I have noticed any stride in the affairs of State which so thoroughly impressed me with its wisdom. Now, that we are co-workers in the same Department, I trust that you will not feel shy or backward in consulting me at any time relative to matters concerning Postoffice Depart. ment affairs. Be perfectly frank with me, and feel perfectly free just to bring anything of that kind right to me. Do not feel reluctant because I may at times appear cold and reserved. Perhaps you think I do not know the difference between a general delivery window and a three emquad, but that is a mistake. My general information is far beyond those of my years. With profoundest regards, I remain sincerely yours.

A MODEST SHOW.

BILL NYE, P, M.

In this progressive generation, modesty in advertising is indeed a rarity and like all large corporations, big commercial enterprises, &c. we have learned to least expect it from a large travelling Menagerie and Circus. The celebrated Orton Shows, however, have proved themselves to be one of the few exceptions in this regard. This positive information and belief is not only warranted by the knowl. edge and experiences of yourselves; but by the enthusiastic domonstra tions of thousands of leading citizens and writers as expreseed through the leading newspapers of the Country, recently visited by Miles Orton's New Mastodon Shows and Royal German Menagerie, which is already announced to appear at Patterson Sat. Sept. 16th and at Boone Monday Sept. 18th.

The Orton Show is strongly endorsed for the modesty of its advertisements, not a single feature being displayed either pictorially or in print which is nor fully and fairly seen under the immense tents. The newspapers everywhere make special reference of this fact, and give the Great Show the strongest recommendation for integrity and honesty in this respect.—This condition of things must certainly be regarded as s beautiful innovation, and the public will certainly show their sppreciation of it when Orton comes.

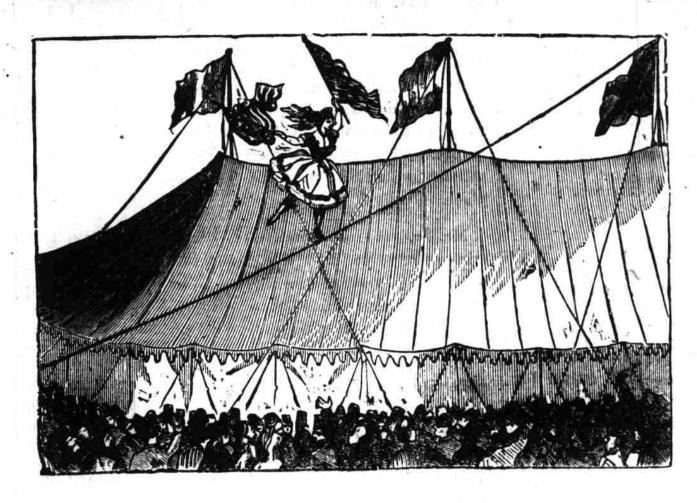

The Zanesville (O.) Daily Signal concludes by saying:

"The ring performances were decid. edly fine and met with the loudest

applance. The wonderful gymnastic preformances of little Allie and Bernard. the bare-back riding of Messrs. Orton and Kingcade, and the original jokes and inimitable antics of Mr. Field, the clown, together with the unique performances of Sig. Dawn, and the horizontrl bar performance, which was simply wonderful, made up a ring show of decided interest, and to many, amazement."
