Howe Sewing Machine.—This Machine took the premium at our State Fair last week. Mr. A. J. Carrier is the Agent for North Carolina and resides in this city. He may be found at No. 7, first door below Mr. John C. Palmer's Jewelry store. Mr. Carrier will contest at the Fair of the Carolinas which opens at Charlotte to-morrow, for the premium. This Fair awarded the Howe Machine a gold medal last year.

U. S. Court.—This Court for the Western District of this State was opened at Statesville this morning. His Honor, R. P. Dick, Judge, presiding. Mr. V. S. Lusk, District Attorney, assisted by Maj. Marcus Erwin and James M. Justice Assistant Attorneys, prosecute for the Government. We understand that the Ku Klux cases will be continued because of the question raised as to the right of Col. Carrow to act as Marshal for that District. Judge Dick has decided that Col. Carrow is Marshal; Hon. Geo. H. Williams, U. S. Attorney General, holds that Col. Carrow is not Marshal. Further legislation will probably be required to settle the matter beyond dispute.

Annual Meeting of Stockholders of the Wilmington, Charlotte and Rutherford Railroad.—The regular annual meeting of the Stockholders of the Wilmington, Charlotte, and Rutherford Railroad was held in Wilmington on the 17th inst. We learn from The Wilmington Star that the following proceedings were had:—

On motion of the President, Mr. Martin, Col. R. L. Steele, of Rockingham, was called to the chair, and on further motion, Mr. I. P. Alderman, and Capt. F. M. Wooten, were appointed Secretaries.

On motion the Secretaries were appointed a committee to verify stock, and after performing that duty reported the following representation: By proxy, 2,343 shares. In person, 7,020 "

Being a majority of the capital stock, the meeting was declared duly organized, and ready for business.

The President, Mr. Martin, begged leave to read the following report: To the Stockholders of the Wilmington, Charlotte and Rutherford Railroad Company:—

At a called convention of the Stockholders of your Company, held in Wilmington, May 3rd, 1872, a resolution was passed to make effort to raise an amount of money sufficient to relieve the Company of its present embarrassments, and retain the control in the hands of the Stockholders.

In order to effect this purpose, the required amount, then the Directors were instructed to offer no opposition to the foreclosure.

There was no money raised. About the latter part of June, proceedings were commenced by the first mortgage bond holders, and the Superior Court of New Hanover county appointed receivers, who have now the control of the affairs of the company.

The control of the Board of Directors ceased on the taking possession by the Court, and it has not attempted to exercise any authority since the Court has taken charge, which he submitted.

On motion, said report was received. Mr. Cronly moved that the following resolutions, adopted at the meeting held in this city on the 3rd of May last, be received: WHEREAS, It is every way desirable that the control of this road shall be kept in the hands of the Stockholders, and that every honorable effort shall be made to accomplish that purpose, and

WHEREAS, It appears from the report of the President and Directors that \$300,000 will be required to pay the amount due for advances on first mortgage bonds, pledged as collaterals, and to pay the interest on January coupons, an additional amount of \$80,000 will be due on the 1st of July next to pay interest falling due then,

Resolved, That a committee to consist of three from each county along the line of the road shall be appointed by the Chairman of this meeting, whose duty it shall be to open subscription lists for the purpose of raising means to pay off the debt and extend the road, for which they shall receive second mortgage bonds at 75 cents on the dollar; that the said Committee shall report to the Directors as soon as practicable.

Resolved, further, That if the Company shall be unable to meet the interest on its bonded debt by July 1st next, according to the terms of the mortgage, and if no arrangement can be made with the bondholders to avoid foreclosure of the mortgage, and if the bondholders shall determine to institute legal proceedings for the sale of the road, as provided for in the mortgage, that then good faith on the part of the Company requires that no opposition shall be made on the part of the Company to the foreclosure of said mortgage.

Upon which he called a stock vote. The vote having been taken the result was as follows: For rescinding, 2,762. Against rescinding, 6,767. The motion was lost.

On motion of Mr. Kerchner, the Convention proceeded to elect a Board of Directors, which resulted as follows: Wilmington—Silas N. Martin, Edward Kidder, F. W. Kerchner, M. Cronly. Richmond County—B. F. Little. Anson County—Thos. S. Ashe. Union County—E. M. Houston. Charlotte—J. L. Brown, R. M. Oates. Lincoln—W. H. Michael. Cleveland County—J. A. Ward.

On motion of Mr. Kerchner, the next annual meeting was appointed to be held at Charlotte, on the third Thursday in October, 1873.

After a customary resolution of thanks to the Chairman and Secretary, the Convention adjourned sine die.

To the Business Men of Raleigh.—This number of THE ERA will be left with the business firms of this city, who are requested to examine the paper prior to a visit from a representative of THE ERA who will call upon our citizens for the purpose of soliciting subscriptions and advertisements. It shall be our aim to aid in building upon our State, and as we are located at the Capitol, we shall do whatever we may be able to do to promote the prosperity of the city of Oaks and the happiness of the people.

THE ERA is a little over a year old. We have a large subscription list reaching every county, and we hope to be able to vastly increase our daily list in this city. Our rates are low and we shall be glad to enter into contracts for advertisements with the business men of Raleigh, and to place their names on our books as subscribers.

Hanged.—Martin Baynard, who was convicted with Columbus and Govan Adair at Hendersonville one year ago of the murder of Silas Weston and three of his children, was hanged at Hendersonville on Friday last. He was twice respited, and made a confession before the Adairs were executed, in which he stated that Henderson Adair, Columbus, Govan, Craton, and Avery, all sons of Henderson, and himself, murdered Weston and his family. The old man and Craton and Avery were arrested upon this confession, and are now in jail at Rutherfordton. The State proposed to make a witness of Baynard, but Gov. Caldwell refused to further respite, and he paid the penalty of his crime on Friday last.

Legislative Contest.—Mr. W. F. Green, of Franklin, who was defeated for the House of Representatives by Mr. John H. Williamson, has served notice on Mr. Williamson that he (Green) will contest Williamson's election. Cause—The Registrar did not attend at Freeman's precinct with the registration book on Saturday before the election as he was required by law to do. This precinct gave Williamson ninety-two majority. Mr. Green was defeated by seventy votes.

Recovering.—Mr. Thos. Morrison, who was so severely injured at the shops of the W. C. & R. R. a few days ago, is now better, with a fair prospect of an early recovery. The most painful injury sustained was in the back.

Fayetteville has a new fire engine. A revival is in progress in the Methodist Church in Wilson.

Mr. A. D. Blow has severed his connection with The Greenville Spectator.

Mr. Allen Bynum, of Pitt, died with a congestive chill on the 4th inst.

Joshua Whitesell, of Alamance county, died Friday night last while shelling corn. There are twenty-two prisoners in New Hanover jail—three white—nineteen colored.

Wallace, Republican, beats Perry, Democrat, of South Carolina, for Congress, fifteen hundred votes.

The cotton gin of Mr. R. F. Boykin, at Clinton, Sampson county, was burned on the 9th inst. Loss \$1,500. No insurance.

Mr. Joshua Sellers, an old veteran of the war of 1812, and a highly esteemed citizen, died recently at his residence in Sampson, aged 84 years.

A negro named Ham Jeffreys was killed in a general row at Madison, Rockingham county, last week. Geo. Booker is in jail charged with the killing.

A handsome new church of the Disciples now building in Wilson is rapidly approaching completion. When finished it will be the finest church in town.

Gallant Deed.—The Wilmington Journal says a little lad, some seven or eight years of age, the son of Mr. Thomas Morrison, of this city, while playing yesterday morning near the cap of the wharf, on South Water street, between Market and Dock, fell into the river and would undoubtedly have been drowned, but for the timely assistance of Mr. Charles Baker, a young man probably some seventeen or eighteen years of age, who plunged in and brought him safely to the shore. The lad had sunk twice and was under the water for the third time, when Mr. Baker dived and brought him to the surface. It was a noble, gallant action, and cannot be too highly commended.

North Carolina Presbyterian.—The Stockholders of the North Carolina Presbyterian, published at Fayetteville, have elected Rev. T. L. De Veaux, of Jacksonville, Florida, as editor of that paper. Mr. De Veaux is highly recommended as a gentleman of superior literary attainments, a pure Christian and an excellent minister. Under his management, therefore, we may expect The Presbyterian to fully maintain the high standard of excellence which has attained for it such a wide-spread reputation as among the first-class religious papers of the country. The new editor has our best wishes for prosperity and usefulness in his future career.

Davidson College, Mecklenburg Co.—The Charlotte Democrat is informed that one hundred and two students are in attendance at this Institution the present session—more than thirty of these are accessions for the term which has just begun. Inasmuch as there is no Preparatory Department at Davidson College, and its instructions are altogether collegiate, the number of its matriculates must be very gratifying to its friends and patrons, when they consider what has been the state of the country for the last two or three years when young men might have been preparing for College.

The Fair Grounds.—There is a talk of moving the Fair Grounds. Whether moved or not, the grounds should be arranged so as to have every building outside the race track, and seats should be erected so that the people can view the races from beginning to end. There is great room for improvement in the arrangement of the grounds, and we hope the new President, Mr. Thomas M. Holt, will infuse new life into the Society, have the grounds properly arranged, and get together at our next Fair the largest crowd and more articles on exhibition than ever before. The citizens of Raleigh should liberally aid the Society.

Superior Court—Wake County.—Gov. Caldwell has ordered a special term of Wake Superior Court to be held on the first Monday of January, 1873, for the trial of criminal cases where indictments have been found and civil business. Judge G. W. Logan has been appointed to hold the Court.

There are about one hundred cases on the criminal docket, one of which is a capital case. There are four hundred cases on the civil docket, some of which are of twenty years' standing. The term of the Court will probably occupy five or six weeks.

Killed.—On the 14th inst., two boys—John Daniel Taylor and Thad. Powell, both colored, were at Barefoot's mill in Wilson county. A difficulty had occurred between them a few days previous and was renewed the mill. John struck Thad on the head with a large stick while the latter was passing along the road not expecting an attack. Thad was felled to the ground by the blow and has since died. The boy John made his escape soon after he had stricken the other upon discovering that he had probably killed him.

The Dead Slandered.—It was currently reported that Mr. Alpheus Faison, Engineer of the engine "Colfax" that exploded on the Atlantic and North Carolina Railroad last week, was drunk. This is not true. Mr. R. H. Rountree, a Banker of Newbern, rode on the engine with Mr. Faison from Kinston to Dover, and got off one minute before the explosion. He asserts that Mr. Faison was perfectly sober, and, as usual, strictly attentive to his duties.

Mr. James H. Headen—Speaking at Court House.—Mr. James H. Headen, Republican candidate for Elector in this District, is now in our city and will address the citizens of Raleigh at the Court House at 7 o'clock, P. M., this evening.—Mr. H. is a forcible and pleasing speaker.—The House should be filled to overflowing. Spread the notice, friends, and get up a large crowd.

FIRE IN GREENSBORO.

Edgeworth Destroyed.

INSURANCE \$10,000.

(Special to Daily Era.) GREENSBORO, Oct 12, 2 o'clock P. M. The property called Edgeworth, formerly used as a female seminary, but lately as a residence by Julius A. Gray, and belonging to him, took fire this morning from the burning out of a chimney. The entire building will be consumed. The building is burning now. It is likely that a dwelling in the rear, formerly occupied by one of the Professors of the seminary, will be saved, and the kitchen also. Mr. Gray was insured for ten thousand dollars.

Can't Come.—The Liberal Republican Club of Wilmington has received a letter from Mr. G. Greeley in response to a letter of invitation addressed to him by the Club some weeks since, asking him to extend his visit to that city during his proposed trip to Charlotte to attend the Fair of the Carolinas, in which he regrets his inability to accede to their wishes on the account of the illness of his wife.

The same reason will prevent his attending the Fair of the Carolinas at Charlotte, which commences to-morrow.
