THE DAILY ERA.

Vol. 2. Raleigh, Monday Afternoon, October 28, 1872. No. 65.

THE DAILY ERA.

MONDAY, OCT. 28th, 1872.

Tickets! Tickets!! Tickets!!!

We are printing and shall send out a full supply of Grant and Wilson tickets for the whole State of North Carolina. Scarcely a Republican paper in the State has the electoral ticket correctly printed, and it will not do to vote a ticket different from the one at the head of THE ERA.

Republicans of the different counties are requested to send in their orders immediately for tickets, addressed to SAMUEL T. CARROW, Raleigh, N. C.

Law Governing Presidential Election—Read and Circulate.

The election for President and Vice-President which occurs on TUESDAY, the Fifth of November next, is to be held as near as may be in conformity with the election law of 1872: that is to say—

Books of Registration must be immediately re-opened by the Registrar, and persons qualified allowed to register, until the day of election—excluding that day.

Persons must vote in the Township where they reside. Tickets must be printed on white paper and without device.

No certificates of registration must be given.

Registration not allowed on the day of election except where a person has arrived at the age of twenty-one, or for other good cause.

We understand that Messrs. Barringer, Mason and Phillips, as Chairmen of the Executive Committees of the various parties, in accordance also with the views of Attorney-General Shipp, have agreed that the above constitute the proper rules for governing the approaching Presidential election.

Plan of Organization—Republican State Committee.

The work of organization for the Presidential election should be pushed with all despatch possible. Everything depends upon organization. Systematic, persistent work, will override a great many difficulties. We notice with gratification, and as a prelude to victory in this State, that the Republicans are moving in many of the counties. Various public meetings are announced in THE ERA and will be kept standing from day to day.

It is important that Grant and Wilson clubs should be organized in every Township; at the same time it is equally important that the Republican party should organize permanently under the Plan of Organization as laid down by the Republican State Convention in April last, which is as follows:

Resolved, That hereafter the organization of the Republican party of North Carolina shall be as follows:

- 1. A State Executive Committee of eleven members, to be appointed by the President of the State Convention; and the President of the Convention shall be ex officio one of the members of such Committee.
2. A Congressional District Committee for each District, to be composed of one member from each county, to be appointed by the Congressional District Convention.
3. A County Executive Committee to be composed of one member from each Township, to be appointed by the County Convention.

Resolved, That the present organization shall continue to exist until the new one shall be effected.

Resolved, That the representation in the County Conventions shall be in accordance with the plan of organization of the party heretofore adopted.

The State Executive Committee is as follows:— I. Edwin West, of Craven. T. B. Keogh, of Guilford. N. W. Lillington, of Davie. G. L. Mabson, of New Hanover. R. W. Logan, of Rutherford. S. T. Carrow, of Beaufort. J. H. Williamson, of Franklin. J. W. Hood, of Mecklenburg. J. H. Harris, of Wake. R. B. Ellis, of Wake. S. F. Phillips, of Wake, ex officio.

A complete list of the District, County, and Township Committees, appointed under the Plan of Organization quoted above, with post office address, should be forwarded to Hon. S. F. Phillips, Chairman of the State Committee, or to Mr. J. C. L. Harris, Secretary. This information is required for permanent organization. The Chairman of each Committee—District, County, and Township—should attend to this matter immediately. The attention of our brethren of Republican Press is directed to the matter. Speed the work of organization! Hold meetings in every Township! Arouse the people! Get out a full vote, and Grant will carry the old North State by ten thousand!

How the Democrats Propose to Deceive the Republicans—Grant Tickets to have Greeley Electors on them—Bogus Tickets Already in the Field—Republican Voters, be on Your Guard.

Information comes from headquarters to the Committee here, that another set of bogus tickets have been printed and sent into this State. The tickets are to be so headed as to appear to be Republican tickets, and to have one or two of the Republican Electors for the State at large, and the whole of the Democratic District Electors. The purpose is to deceive and cheat ignorant voters. Let our friends watch this trick, and see that voters are not imposed upon.

Vote no ticket that does not have all the Republican Electors on it. Let every Republican voter refuse to take a ticket from any one except a true and tried Republican. Beware of TRAITORS.

Too Much of the Crater.

Two Persons Lost in the Abyss of Vesuvius.

The Revista of Naples contains the following account of the two gentlemen in the crater of Vesuvius, who with great temerity insisted on being lowered down to the dark cavern immediately below the orifice of the crater: "A party was formed to ascend Mount Vesuvius on Friday afternoon in Caffè di Europa. The party consisted of two Americans, three Englishmen, and one Frenchman. On Sunday night they took carriages from the cafe for Resina, reaching there at half-past eleven p. m. Having procured horses, guides, and other necessities, they started for the burning mountain and began the ascent, one Luigi Garoglio leading as cicero, and arrived at the base of the uppermost cone further than which horses do not go. The tourists then began the ascent over the hillocks and boulders of lava until the vicinity of the crater was reached when Messrs. James Wilcox and Francois Le Mieur, an American and a Frenchman, insisted on being lowered down to the cavern which is formed below the mouth of the volcano. The guides, who provide themselves with ropes for that purpose, complied with the request of the foreigners, and lowered them down. The mountain being perfectly quiet no danger was anticipated; but when one of the party above the crater called out to the rash adventurers, no answer was returned. The guides growing anxious, cried, "Gentlemen, it would be better for you to hold on to the ends of the ropes." Still the ropes remained slack, and no answer came from the sulphurous and murky cavern below. Twenty minutes passed and the adventurers were yet silent. It was then proposed that one of the guides should be lowered down and hold on to the ropes until he had investigated the appearance of the cavern base. He had hardly entered when he cried out loudly: "Su! su! non c'en niente che una pietra strettissima!" ("Up! up! there's nothing here but a very narrow rock!")

Chinese Funeral.

[From the New York Tribune, Oct. 18.] The unique ceremonies of a Chinese funeral were performed on the grounds adjoining Captain Harvey's laundry, Belleville, N. J., yesterday. The dead in whose honor the burial services were held was Li Chow Chin, a dutiful washerman, who fell a victim to the severity of this climate. His last days were spent in profound communion with an ugly wooden god to which he remained desperately loyal in spite of the most zealous efforts of a Christian minister to redeem Li Chow Chin from heathenism. As he lived he died, and his burial was attended by 220 Chinamen, the total number of Captain Harvey's imported washermen. Dressed as usual, in wooden shoes, flabby trousers, loose shirts, and far-extending pig-tails, they assembled in the spacious ironing-room of the laundry, and in their manners were silent and demure while awaiting the removal of their departed brother. When all was ready they moved down to their countryman's grave in the field below. They then surrounded the grave and each threw a piece of lighted paper upon the corpse, when it was hid to rest. From the paper dense volumes of smoke arose, and the spirit of Li Chow Chin was believed to have ascended with it to the clouds. As the clay was heaped upon the corpse little sticks and pieces of nickel currency were dropped into the grave, and money was distributed among the strangers who came to witness the ceremony.—After the funeral the Chinamen went to supper.

The Presidential Election occurs on the first Tuesday of November next.
