States for the said District of South Carolina, or by any military officer of the United States, or by any soldier or citizen acting under the orders of said marshal, deputy, or such military officer within any one of said counties, charged with any violation of the act of Congress aforesaid during the continuance of such rebellion.

In witness whereof I have hereunto set my hand, and caused the seal of the United States to be affixed.

Done at the city of Washington this seventeenth day of October, in the year of our Lord one thousand eight hundred and seventy-one, and of the Independence of the United States of America the ninety-sixth.

BY THE PRESIDENT OF THE UNITED STATES OF AMERICA: A PROCLAMATION.

The process of the seasons has again enabled the husbandman to garner the fruits of successful toil. Industry has been generally well rewarded. We are at peace with all nations, and tranquility, with few exceptions, prevails at home. Within the past year we have in the main been free from ills which elsewhere have afflicted our kind.

Therefore I recommend that, on Thursday, the thirtieth day of November next, the people meet in their respective places of worship, and there make the usual annual acknowledgments to Almighty God for the blessings He has conferred upon them, for their merciful exemption from evils, and invoke His protection and kindness for their less fortunate brethren, whom, in His wisdom, He has deemed it best to chastise.

Done at the city of Washington this twenty-eighth day of October, in the year of our Lord one thousand eight hundred and seventy-one, and of the Independence of the United States the ninety-sixth.

It is not a physis which may give temporary relief to the sufferer for the first few doses, but which, from continued use brings Piles and kindred diseases to aid in weakening the invalid, nor is it a doctored liquor, which, under the popular name of "Bitters" is so extensively palmed off on the public as sovereign remedies, but it is a most powerful Tonic and alterative, pronounced so by the leading medical authorities of London and Paris, and has been long used by the regular physicians of other countries with wonderful remedial results.

Dr. Wells' Extract of Jurubeba retains all the medicinal virtues peculiar to the plant and must be taken as a permanent curative agent.

Is there want of action in your Liver and Spleen? Unless relieved at once, the blood becomes impure by deleterious secretions, producing scrofulous or skin diseases, Blotches, Pimples, Pustules, Canker, Pimples, &c., &c.

Have you a Dyspeptic Stomach? Unless digestion is promptly aided the system is debilitated with loss of vitality, poverty of the Blood, Dropsical Tendency, General Weakness or Lassitude.

Have you weakness of the Intestines? You are in danger of Chronic Diarrhea or the dreadful Inflammation of the Bowels.

Have you weakness of the Urinary Organs? You must procure instant relief or you are liable to suffering worse than death.

Take it to assist Digestion without reaction, it will impart youthful vigor to the weary sufferer.

Take it to strengthen organic weakness or life becomes a burden. Finally it should be frequently taken to keep the system in perfect health or you are otherwise in great danger of malarial, miasmatic or contagious diseases.
