"POLITICAL 'DRIFT-WOOD" what the organs of "democracy" now call their late "liberal republican" allies.

Ir "a house divided against itself cannot stand," what is to become of the "Conservative" party, in which the hench-men of Merrimon and the klans-men of Vance are fighting each other so savagely?

THE Greeleyites are nearly as hugely disgusted at the result as we would have been had they defeated Grant; and the country is in the same great danger it, always found to be by the beaten party.

ILLINOIS gave Grant in '68, 51,150 majority. This year the majority is more than 56,000. Illinois was to show the fullest development of "liberal republican" strength of any State in the Union. She has shown it, but in a way that Trumbull and Palmer despise.

If the people want to witness another Tammany expose, let them subscribe to The Era. We shall open on the North Carolina Penitentiary after the Legislature meets, with heavy artillery, and shall not only expose the unparalleled conduct of the managers for the past two years, but the corruption of the Legislature that placed them there, and which, in the face of astounding developments, retained them, to the great disgrace of the State and the everlasting infamy of the last Legislature.

EVERYBODY remembers the ridiculous and childish spectacle of Senators Tipton and Ransom "clasping hands" on the stand at Weldon one day last summer during the progress of a Merrimon-Greeley thet, and told to "drift." They have meeting. It will be an equally "sorry sight" to see these grave, potent and reverend Senators clasp hands for the last time the fourth of March next, as Tipton ex-its for the wilds of Nebraska, no longer a Senator, but a dead political preacher—a minister of mischief shorn of his power.

And in the fate of Tipton, Ransom will read his fate four years

We requested the Rev. Pastor of St. John's Catholic Church in this city to furnish us a report of his speech at the Citizen's meeting on Tuesday evening last.
