THE GREAT SOUTH AMERICAN JURUBERA BLOOD PURIFIER

It is not a phytic which may give temporary relief to the sufferer for the first few doses, but which, from continued use brings Piles and kindred diseases to aid in weakening the invalid, nor is it a doctored liquor, which, under the popular name of "Bitters" is so extensively palmed off on the public as sovereign remedies, but it is a most powerful Tonic and alterative, prepared by the leading medical authorities of London and Paris, and has been long used by the regular physicians of other countries with wonderful remedial results.

Dr. Wells' Extract of Jurubera retains all the medicinal virtues peculiar to the plant and must be taken as a permanent curative agent.

Is there want of action in your Liver and Spleen? Unless relieved at once, the blood becomes impure by deleterious secretions, producing scrofulous or skin diseases, Blotches, Pimples, Pustules, Canker, Pimples, &c., &c. Take Jurubera to cleanse, purify and restore vitiated blood to healthy action.

Have you a Dyspeptic Stomach?—Unless digestion is promptly aided the system is debilitated with loss of vital force, poverty of the Blood, Dropsical Tendency, General Weakness or Lassitude. Take it to assist Digestion without reaction, it will impart youthful vigor to the weary sufferer.

Have you weakness of the Intestines? You are in danger of Chronic Diarrhea or the dreadful inflammation of the Bowels. Take it to allay irritation and ward off tendency to inflammations.

Have you weakness of the Uterine or Urinary Organs? You must procure instant relief or you are liable to suffering worse than death. Take it to strengthen organic weakness or life becomes a burden.
