This is a step in the right direction, and has been taken none too soon, for the people are now pretty generally aroused to the necessity ery, which, in their collective ca-pacity, they control, as a means of court shall consist of a chief justice grappling with those monster corporations in whose presence, as separate individuals, they are powerless and without defense. The constitutional right of Congress to control such corporations has lately been ably argued by Juge Shellabarger, of Ohio, in a letter which has been extensively published; but, even if this right did not exist an amendment whereby the right would be expressly guaranteed. The necessity for its exercise may at any moment become so imperative as to overrule all other considerations, for, as population is distributed under our modern civilization, a large proportion of the people depend for their very existence upon the regular and unobstructed operation of the railroads. Some idea of the power of the latter over the interests of vast communities may be formed from the position in which New York, Philadelphia, and other great cities were of each judicial term." temporarily placed a year or so ago by the action of the railroad and canal companies which control the lines of communication entering the authracite coal region of Pennsylvania. The amount of public inconvenience then occasioned by the sudden imposition of prohibitory freight rates was incalculable, and had those rates been maintained a few weeks longer, a coal famine must have resulted, stopping distress to tens of thousands of homes. the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effects.

Cleanse the Vitlated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores ; cleanse if when you find it obstructed and sluggish in the veins ; cleanse it when it is foul ; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

Grateful Thousands proclaim VINEGAR BITTERS the most wonderful Invigorant that ever sustained the sinking system.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. Says a distinguished physiologist : There is scarcely an individual on the face of the earth whose body is exempt from the presence of worms. It is not upon the healthy elements of the body that worms exist, but upon the diseased humors and slimy deposits that breed these living monsters of disease. No system of medicine, no vermifuges, no anthelminitics, will free the system from worms like these Bitters.

Mechanical Diseases .- Persons engaged in Paints and Minerals, such as Plumbers, Type setters, Gold-beaters, and Miners, as they ad vance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of WALKER'S VINEGAR BITTERS twice a week.

Bilious, Remittent, and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to DR. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the

digestive organs. Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled neck, Goitre, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc., etc. In these as in all other constitutional Diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases

Dr. Walker's California Vinegar Bitters act on all these cases in a similar manner. By purifying the Blood they remove the cause, and by resolving away the effects of the inflammation (the tubercular deposits) the affected parts receive health, and a permanent cure is effected.

The properties of DR. WALKER'S VINEGAR BITTERS are Aperient, Diaphoretic, Carminative, Nutritious, Laxative, Diuretic, Seda-Counter-Irritant, Sudorific, Alterative. and Anti-Bilious.

The Aperient and mild Laxative propertics of DR. WALKER'S VINEGAR BITTERS are the best safe-guard in cases of eruptions and malignant fevers, their balsamic, healing, and soothing properties protect the humors of the fauces. Their Sedative properties allay pain in the nervous system, stomach, and bowels, either from inflammation, wind, colic, cramps, etc. Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus ore-armed.

Directions .- Take of the Bitters on going to bed at night from a half to one and one-half wine-glassfull. Eat good nourishing food, such as beef-steak, mutton chop, venison, roast beef, and vegetables, and take out-door exercise. They are composed of purely vegetable ingredients, and contain no spirit

It also entities entitles them to a great claim upon the public gratitude. The Magazine has done good and not evil all the days of its life.-Brooklyn Eagle.
