No one, I am sure, will deny the demoralizing effect this Republican victory had on our political foes

Would it not then be a merited and graceful compliment to our good old State, if President Grant, ateful for her timely aid, should place one of her honored sons in his cabinet. The question then arises upon whom should this honor fall, we think there should be but one voice from the Republicans of our State and that in favor of our Senator John Pool. To him unquestionably, more than any one else, is attributable the victory in August. 'Twas his hand at the helm that guided our good old Republican ship safely through the perils of the political deep. His political opponents, whilst they heap upon him abuse, confess the consummate ability with which he conducted the campaign. His far, everseeing intellect no doubt saw, at the inception of the contest, that the gerrymandering of the last Ku-klux Legislature had rendered his last Ku-after the war, and, with his paper, re-election to the U. We do not believe that our noble President will allow him to remain so long. We have been delighted to hear Mr. Pool's name

New Berne, N. C. mentioned in connection with the Postoffice Department. Mr. Pool is unquestionably fitted by worth and ability to fill any position in the gift of the President. Mr. P. has many enemies and detractors, but we are glad to know they are to be found only among his political opponents. He has suffered a martyrdom of abuse from his political foes; he has been the mark at which the Ku Klux guns have been aimed, little and big, artillery, musketry, and all; but through it all he has remained true to himself and to the party that delights to do him hon-or. Vinegar Bitters are not a vile Fancy Drink, made of Poor Rum, Whiskey, Proof Spirits and Refuse Liquors, doctored, spiced, and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the native roots and herbs of California, free from all Alcoholic Stimulants. They are the Great Blood Purifier and a Life-giving Principle, a Perfect Renovator and Invigorator of the Sys-tem, carrying off all poisonous matter and restoring the blood to a healthy condition, enriching it, refreshing and invigorating both mind and body. They are easy of administra-tion, prompt in their action, certain in their results, safe and reliable in all forms of disease. No Person can take these Bitters ac-

In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to Dr. J.
