A Democratic Proposition to Legalize Murder in North Carolina.

WHEREAS, It is believed that a strict enforcement of the criminal law in reference to many offenses committed within the limits of the State since the close of the late civil war would result in greater detriment to the State of North Carolina than a policy based upon mercy and forgiveness; therefore,

Section 1. The General Assembly of North Carolina do enact, That no person who may have committed any crime against or violation of the laws of the State of North Carolina while a member of, or officer or pretended officer of, the Heroes of America, Loyal Union League, Red Strings, Constitutional Union Guard, White Brotherhood, Invisible Empire, Ku Klux Klan, North Carolina State Troops, North Carolina Militia, Jay Hawks, or any other organization, association or assembly, secret or otherwise, political or otherwise, by whatever name known or called, or who may have committed any crime against or violation of the laws of the State of North Carolina in obedience to the commands, decrees or determinations, by whatever name called, of such organizations, association or assemblies, or in obedience to the commands, orders or requests of any one exercising or pretending to exercise any authority, or pretended authority, by reason of his connection with any such organization, association or assembly, shall be held to answer criminally for any such crime, against or violation of the laws of the said State of North Carolina in fact committed or charged to have been committed previous to the first day of September, A. D. one thousand eight hundred and seventy-one, but every such person shall have full and complete amnesty and pardon therefor.

Section 2. That no person who may have been a member, officer or pretended officer of any one of the organizations, associations or assemblies referred to in section one of this act shall be held to answer therefor, but every such person shall have full and complete amnesty and pardon therefor.

Section 3. That no person shall be held to answer criminally as accessory either before or after the fact for any crime against or violation of the laws of this State for which amnesty and pardon are provided in the preceding sections of this Act, but every such person shall have full and complete amnesty and pardon therefor.

Section 4. That all presentments, indictments or criminal proceedings of whatever nature or kind now pending for any of the crimes against or violations of the laws of this State for which amnesty and pardon are provided in the preceding sections of this Act, shall be forthwith dismissed, and no further criminal proceedings shall be had against such persons or any of them for any of said crimes against or violations of the laws of this State.

Section 5. That this Act shall be in force from its ratification.

The Greeley Statute.

A statute of Mr. Greeley has been suggested, to be erected by the printers of the United States, and composed of old type metal contributed by the different printing offices throughout the country. The New York Typographical Union, No. 6, has taken charge of the matter. Of this Union, Mr. Greeley was the first president. At a meeting of Tribune compositors, January 9th, it was resolved:

"That we approve of the idea of erecting a statue of Horace Greeley in Greenwood, made of type metal which has been cast into type and worn out in the service of teaching the people; and further,

"That we ask of our fellow-craftsmen (many of whom, now scattered over the country, have, like ourselves, either worked with or for him during the forty years gone by,) to set up, on Monday, February 3, 1873, the 62d anniversary of Mr. Greeley's birth, one thousand ems, and give the receipts for the same, to be expended in making and erecting the statue. The money to be forwarded to the president of New York Typographical Union, No. 622 Duane street, New York City, of which Union Mr. Greeley was the first president."
