The crimes which it is sought to pardon by this bill were committed threatened to overthrow all substantial and legitimate civil government in North Carolina, and place in its stead the barbarous and bloody rule of the "Invisible Em-

D., 1873, to fill said vacancy—said election to be conducted in accordance

TOD R. CALDWELL.

By the Governor: J. B. NEATHERY, Private Secretary. MISCELLANEOUS.

Vinegar Bitters are not a vile Fancy Drink, made of Poor Rum, Whiskey, Proof Spirits and Refuse Liquors, doctored, spiced, and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the native roots and herbs of California, free from all Alcoholic Stimulants. They are the Great Blood Purifier and a Life-giving Principle, a Perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition, en-riching it, refreshing and invigorating both mind and body. They are easy of adm tion, prompt in their action, certain in their results, safe and reliable in all forms of disease. No Person can take these Bitters according to directions, and remain longun well. provided their bones are not destroyed by

organs wasted beyond the point of repair. Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palitation of the Heart, Inflammation of the Lungs Pain in the regions of the Kidneys, and a hundre other painful symptoms, are the offsprings of Dyspepsia. In these complaints it has no equal, and one bottle will prove a better guarantee of its merits than a lengthy advertisement. For Female Complaints, in young or old married or single, at the dawn of womanhood or the turn of life, these Tonic Bitters display so

mineral poison or other means, and the vital

decided an influence that a marked improvement is soon perceptible. For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the

Digestive Organs

They are a Gentle Purgative as well as a Tonic, possessing also the peculiar merit of acting as a powerful agent in relieving Congestion or Inflammation of the Liver and Visceral Organs and in Bilious Diseases. For Skin Diseases, Eruptions, Tetter, Salt-Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-worms, Scald-Head, Sore Eyes Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up

and carried out of the system in a short time by

the use of these Bitters. One bottle in such cases vill convince the most incredulous of their cur ative effects. Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse is when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow. Grateful Thousands proclaim VINEGAR

BITTERS the most wonderful Invigorant that ever sustained the sinking system. Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. Says a distinguished physiologist: There is scarcely an individual on the face of the earth whose body is exempt from the presence of worms. It is not upon the healthy elements of the body that worms exist, but upon the diseased humors and slimy deposits that breed these living monsters of disease. No system of medicine, no vermifuges, no antheiminitics, will free the system from

Mechanical Diseases .- Persons engaged in Paints and Minerals, such as Plumbers, Typesetters, Gold-beaters, and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of WALKER'S VINEGAR BITTERS twice a week. Bilious, Remittent, and Intermit-

tent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to Dr. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the

digestive organs Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled neck, Goitre, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc., etc. In these as in all other constitutional Diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intract-

Dr. Walker's California Vinegar Bitters act on all these cases in a similar manner. By purifying the Blood they remove the cause, and by resolving away the effects of the inflammation (the tubercular deposits) the affected parts receive health, and a permanent cure is effected The properties of Dr. WALKER'S VINEGAR BITTERS are Aperient, Diaphoretic, Carmin-

ative, Nutritious, Laxative, Diuretic, Seda-Counter-Irritant, Sudorific, Alterative. and Anti-Bilious. The Aperient and mild Laxative properties of Dr. WALKER'S VINEGAR BITTERS are the best safe-guard in cases of eruptions and malignant fevers, their balsamic, healing, and soothing properties protect the humors of the fauces. Their Sedative properties allay pain in the nervous system, stomach, and bowels, either from inflammation, wind, colic, cramps, etc.

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS No epidemic can take hold of a system thus Directions.—Take of the Bitters on going to bed at night from a half to one and one-half wine-glassfull. Eat good nourishing food, such as beef-steak, mutton chop, venison, roast beef, and vegetables, and take out door exercise. They are composed of purely vegetable ingredients, and contain no spirit.
