

On everything save the impeachment of Holden the Republicans have whipped out the Democrats, Conservatives and Ku Klux since the great upheaval of August, 1870.

Speeches on Amnesty.

There are several speeches on Ku Klux Amnesty to be published in the Era as fast as room can be made therefor.

Some remarks of Mr. Trivett, of Ashe, appear to-day; being brief they are taken first.

Senator Harris of Wake made one of the ablest speeches on the subject, delivered in the Senate, but its length has caused delay. This able speech will, with others, appear at an early day.

WHERE all done their duty so nobly, it is impossible, if it were fair and proper, to discriminate between Republicans for their efforts and action against Ku Klux-Murder-Pardon; but when the Era shall have gotten through with the speeches of, and its remarks on the efforts of Republicans in the House and Senate, the people of North Carolina will feel that they have a Republican representation in the Legislature to be proud of.

Would Not Accept.

When, a year ago, Governor Caldwell attempted to take the charitable institutions of the State out of party, he appointed the following well known gentlemen who peremptorily declined. Others were then substituted, and so is accounted why the legally established Boards are strictly Republican:—

INSANE ASYLUM.—Dr. Chas. E. Johnson, Dr. E. Burke Haywood, Dr. P. D. Jones, Kemp P. Battle, Joseph H. Greene.

DEAF AND DUMB INSTITUTION.—Dr. W. H. McKee, Leo Heartz, Henry J. Brown.

Mr. Brown, (Dem.) of Mecklenburg, offered a provision, that all persons who were not personally present at, and actually participating in the crimes of willful murder, arson and burglary, or who were not present and did not assent to the decree or order for the same, shall have the benefit of this act.

Thus the poor deluded fellows who allowed themselves to be made the dupes and tools of their more intelligent neighbors see how the leaders of the Democracy still thrust them into the front of battle, and as they did in the late war, and as they will continue to do so long as the poor, ignorant and working classes of North Carolina are misled.

By the amendment of the intelligent Democrats who planned and ordered the murders escape—their poor dupes and plant tools are left to hang like dogs, to use a favorite expression of the late Ku Klux organ of the State.

Adjourned.

The Legislature of North Carolina took its leave Monday at noon, and will not assemble again until the third Monday in November, being the 17th day.

It would be well if one could say that this body would never come together again, for, save the presence of some additional Republicans, this is a much worse and weaker body than that which preceded it, and but for the Republicans it would have done the State much more injury than the last Legislature inflicted on the people.

As if to cut off all possibility of redemption, this Legislature, with twenty-four Democratic majority, has not done one single thing of great public interest or benefit. Save in the Republicans preventing mischief, no single act of special public importance occurs to the writer at this moment.

Thus the gullible people of North Carolina are annually, for the past three years, sending up a body of Democratic legislators to Raleigh, at a heavy expense to an already over-burdened people, and not one single measure of public importance or practical relief results therefrom.

The New State of Alleghany.

The proposition to form a new State of Western North Carolina and East Tennessee to be called "Alleghany" is about to assume shape. Western North Carolina and East Tennessee, it is said, will be decidedly for it; while the Republicans of old North Carolina are expected to favor it on the ground that it will make North Carolina overwhelmingly Republican. And old Tennessee for the opposite reason,—that it will make Tennessee overwhelmingly Democratic.

Eastern opposition to Railroads through Western North Carolina is said to have precipitated this movement; and the promises of Government aid and donation to the poor people of North Carolina would have abundant cause for wild joy.

Fresh Ku Klux Outrages in Alamance.

When the Era published, last week, a communication from Alamance county detailing fresh Ku Klux outrages in that section, the statements of its correspondent were denied.

The Senator, Mr. Murray, from Alamance, pronounced it false. The Representative from Alamance, Jesse Gant, Esq., characterized it as a base lie.

The Democratic and Ku Klux sympathizing Press of the State, seeing Messrs. Murray and Gant on the floors of their respective Houses, speaking to "personal privileges" and denying the state of things in their county asserted in this paper to exist there, that Press, be it known, has raised a howl from one end of the land to the other against the Era and its correspondent.

But the facts are against Messrs. Murray and Gant, their people and the Democratic Press which still encourages and sympathizes with the Ku Klux.

The records of last week's Court in Alamance, showing that these Ku Klux parties have been indicted for the offences charged by the correspondent of the Era, another communication from Alamance yesterday, and a still further statement of reliability, from that county to-day, prove, that, either, Messrs. Murray and Gant are guilty of making hasty and unfounded charges, or they are guilty of willful and deliberate lying, for partisan, political and personal Ku Klux purposes.

Since these gentlemen have seen fit to raise a storm of virtuous indignation against the Era and its correspondent, by false assertions of their own in open session of the Legislature, they must either acknowledge their error or stand before the people and be branded as public liars. That they were not informed of these recent outrages until they saw the statement in the Era, this paper has been willing to allow, but if they remain silent under conviction of their mistake, the Era will feel called upon to brand them as above indicated; for it is known now by all the people of North Carolina, that, for two years, the Democratic politicians and papers of the State labored, lied and perjured to conceal the existence of a Ku Klux Klan and to hide from the public eye the crimes and outrages of this infamous organization.

So, that, the recent assertions of Messrs. Gant and Murray are merely a repetition of the infamous conduct and falsehood of their party friends and associates heretofore, and unless they correct themselves they cannot hope to escape the indignation and denunciation which has so signally overtaken those who have violated the law, and perjured to conceal the existence of a Ku Klux Klan and to hide from the public eye the crimes and outrages of this infamous organization.
