PRESENT FOR THE BLIND .-Mr. S. F. Tomlinson, late Principal et the Deaf, Dumb and Blind Asylum, has presented to the Blind Department of that Institution a relief map of the eastern hemisphere, for the use of the pupils. It is different in many particulars from papier mache maps for the same purpose. The base is of leather, on wood. The dry land is elevated, and the mountains, of sand and glue, more elevated according to their height. The general line of all the principal rivers, and their bends, are groved. The relative positions of all the capitals is shown by the heads of large silver nails, and latitude and longitude by the heads of smaller nails.

Sanford and All About It.

BY T. C. E. Sanford is in Moore county and the present terminus of the Raleigh & Augusta Air Line where it connects with the Fayetteville and Western road. Dr. Hawkins, that venerable chief among railroaders, is the president, and Capt. A. B. Andrews, a name hat the r. r. boys love to honor and esteem, is the efficient superintendent of this road. Capt. Wrenn was the worthy conductor of the down train. One hundred whites in Sanford and fifty blacks. that Northern Companies do, with the grea additional consideration that the capital is kept within the State, and, therefore, helps build up and foster Home Institutions. Another important fact to be considered is, that the Wilmington Life has thus for obtained a very much larger interest for the money invested at bome, than any of judged a Bankrupt upon his own Petition by the District Court of said District Court of sai ments before the Commissioner of that State These unquestionable facts should commend this Company, above all others, to our people. Let h be borne in mind that millions of dollars received for Life premi-ums have been sent North since the war, which at once drains the South and enriches the piethoric capitalists of the North II there was no other consideration, safety
