Come, make for me a little song-Twas so a spirit said to meand make it just four verses long, And make it sweet as sweet can be, And make it all about the sea.

Sing me about the wild waste shore, Where, long and long ago, with me You watched the silver sails that bore The great, strong ship across the sea-The blue, the bright, the boundless sea.

sing me about the plans we planned; How one of those good ships should b if y way to find some flowery land A way beyond the misty sea-

Sing, lastly, how our hearts were caught Up into heaven, because that we . new not the flowery land we sought Lay all beyond that other sea-That soundless, sailless, solemn sea.
