The pathway to the distant town, As ever, windeth low and high; And yet methinks it wears a look It wore not in the days gone by: Maybe it is I wait to eatch No footstep; and no lifted latch.

Beside the window in the gloom I stand as I have stood before; cannot sew, the light is done, Nor is there need to ope the door; For he that used to come, they say, Has traveled on another way.

Did never season fall so glad As that, before our corn was stored, And now himself is reaped, and set Safe in the garner of the Lord?) fod knows how fair a face can show

Flush'd in the golden evening's glow. I mind the day the news was told, And how the village heard the tale, Our manhood with a lusty shout, Our women with a silence pale; How one by one they wended down That pathway to the distant town.

For me, I had none closely near To send forth proudly there to die; Only this playmate, and you know We were no lovers, he and 1: And yet methinks I too was pale At telling of you woeful tale.

I mind the last long look he gave Just as he turned him from the door, My hand was throbbing from his touch-Poor hand that throbbeth never more! Look in my eyes-this cheek is dry, We were but friends to say good-bye.

Now the night cometh-1 shall sleep; And he too sleepeth far away; My dreams may picture me a face Turned patient up to wait the day: Sleep sweet upon the blood-stain'd sod, Dear playmate, that has gone to God! Good Words. C. C. FRASER-TYTLER.
