commonwealth. They reaffirm 150 realms Book Paper, sized and calen dered, 24x38, 45 b. of 1872. They endorse and approve the administration of President Grant in the past, and pledge it their support for the future.

TAXATION. We are in favor of the ad valorem system of taxation, as adopted by the State convention, as the only just and equitable system, and pledge ourselves to its support and enforcement.

The tide-water population of the State have paid without complaint the taxes necessary for the support of the State debt contracted for public improvement, from which they derive no local advantage, and are entitled to demand a repeal of any law levying a tax upon any interest or property not general in this commonwealth.
