It became evident to us Messrs. Edwards and Broughton day is as perfect as the harmony to break the force of these solemn who they were. We had employhave taken prmiums on their work and identity of their interests have constitutional assurances in the ed a detective without consulting money marts of the world. And, Mr. McIver. He was informed of therefore, the Democratic press of the situation of things, and as was in the line of printing or binding State are safe and ready to meet North Carolina teemed with warn- expected, he very soon caught the ings and cautions to capitalists not sons of Mr. McIver on two succesto invest their money in North sive days in and upon the roof of Carolina bonds; with menaces of the Phi Library. It was also asrepudiation; and with mendacious certained that one of these boys had denunciations of the characters of broken the door, assisted by one of the officials of the State, and its his play-fellows, through which works of improvement, whose duty | they and others entered the buildbonds. The ing. They were arrested, but Mr. McIver claimed that as Supt. Pub. Chapel Hill, and was mot here by lic Instructions, he had authority the editor of the Hillsboro' Res Timothy Tarbucket on Jupiter, over all the property-that the boys | corder, whom he escorted, without were there with his consent, and a word to Mr. Pool or myself, Iver is not a member of the Phi So- | whose keys we held, Although and hence his efforts to justify him- and requested me to accompany him a dictator from Dictatorsville. He

> Even if his charge were true, it would not palliate his offense. But it is not true. The good citizens of Chapel Hill have done no such thing. They would scorn to enter the buildings under such circumstances, or to send their boys in to disarrange and injure the Libraries. The statement of Mr. McIver. through the public press in justification of the acts of his sons, that not only they, but "all persons went in and out" is no less than a leliberate libel upon every lady and gentleman in Chapel Hill The Methodist Sunday School made a respectable application to Mr. Pool and myself, in Jene, for the use of the Chapelant campus for their annual celebration. The application was granted, and The property was placed in their custody ducipal of those bonds. Our object is ring the day. We had never felt it to visit the Libraries under our supervision. On this occasion visitors may have done so while the property was under the supervision Sunday School. Mr McIver says, he was informed that more than fifty persons were in and twon the building on that occasion. He can get no responsible, respectable person to teetity to any such thing. I demand his informant. His sons had been in the Library without permission of the authorized keeper and upon it. Unless he can give his authority for the published

printed letter probably lay before front gate. Through these, his cow I have had from you.
