Blake has confessed to the perpetration of the hellish crime. Le is about twenty-two years of age, brutal appearance.

HIGH COMPLIMENT .- In the Johnston County Democratic Convention, which met lately, the committee on nominations, we learn, refused to entertain the claims of any man as a member of the Legislature who declined to pledge himself in favor of the repeal of the clause in the consolidation bill, intended to ban Hon. W. A. Smith as a director. This action shows that the masses of the people have no sympathy with those who attempted to perpetrate this malicious wrong upon the rights of a citizen, and it further demonstrates the strong hold Maj. Smith has upon the affections of the people of all clases in his untive county.
