able is President. The membership is nite large now, and the Alumni of the estitution are rapidly sending in their ames. Dr Venable is one of the oldest elentists in the South, and he will use But to make the society instructive and eneficial to its members. The corner one of the new chapel was laid on the The immense rafters will be rais-I on the 23d Oct. The work will be atended with appropriate ceremonies. The building bids fair to be among the most posing structures of its kind in the south There are hundred and eighty five students on the roll, with new ones dropping nevery week. The number will doubtless reach 200 by Christmas,"

prominent educators of the State. Our -indishment of a weekly column of school and hurch Notes was not a mere whim; it took rise in our belief North Carolina hinges in great measure apon the labors of three agencies, -The ell as mental and moral suggestion. force the three Agencies are co-laborore; and the Press. -having greater acess to the public, -should seek to help is brethren. You will understand, therefore, why we give a column of tems weekly to Teachers and Preachers. The better they are known to the public, the more goo they can do. We know more than one man who might have done vast good in the world, it his excessive modesty had not kept him in a corner: forgetting Christ's warning in the parable that he who wrapped his talent in a napkin, and hid it away, was as laid as, or worse than, him who

summifered it. Well,-it was a pleasure to chat with President Atkinson, of Charlotte Female Institute, - a South Carolina genlemma, and old-fashioned Southerner, whom Dr. Mayo found to be the hottest hornet in the city famed as a "Hornet's Nest" for a century past. Prof. Atkinson was for a time at Peace Institute, but now has a fine school of his own with a superior faculty; and the work This Art class was admitted to be one the features of the fair. Miss Mattoon, who supervises this Department of his school is a true "Master of Arts," and her services have been repeatedly sought for by Institutions in other States. She is a daughter of Rev. Dr. Mattoon, of Biddle Institute, at Charlotte. Prof. Atkinson's exhibit took dozen premiums at the Fair,
