ST. VINCENT SCHOOL, TROY, N. Y, Uct. 5, 1871.

Dear Sir,-We are truly grateful for your pear Sir.—We are truly grateful for your generous donation of Vegetl e received last eyening. A lady has been using it here, with much benefit to herself, who, for years, has been pronounced "broken down," worn out" &c. Frequently she was disturbed in her steep by a violent nervous twitching of a foot, or the face, or the whole body. By taking this Veneting, she is entitled to leave taking this Vegetine, she is enabled to sleep juletly, as d her general health seems much improded, though she has a complication of curon c diseases to contend with. May God

bless you for your charity to the orphans.

Respectfully and gratefully,

SISTERS OF CHARITY.

HARASSING DREAMS.—Au unnatural excitement of the brain and nervous system is the direct case of sleepless, es, as also of horses larly scothing effect in all such cases, when taken just before going to bed.

FOR ALL LADIES Who are Sufferers. CINCINNATI, O., March 28, 1877.

Dear Sir,-I have taken several bottles o

our Vegetine for Female Weakness, and in ustice to the medicine, and to all lattes who are unferers from such complaints, I will re-commend the Vegetine. I must say It has helped me very much: indeed, it is invaluable for such complaints. FEMALE WEAKNESS .- Vegetine acts direct-

ly upon the causes of these complaints. It in vigorates and strengthens the whole sys em, acts upon the secretive organs, allays flammation, cleanses and cures ulceratio cures constipation, regulates the owe s he dache and pains in the back ce se; if fact, there is no disease or complaint where the Veg tine gives so quick rebet, and is so effective in its cure, as in what is termed Female Weakness. It has never failed in one instance.
