OFFICIAL ORGAN OF THE STATE DEMOCRATIC PARTY.

The News Building, No. 6, Martin Street

TERMS OF SUBSCRIPTION.

THE DAILY NEWS is published every day...

THE WEEKLY NEWS is published every week...

THE PRESS DISPATCHES announce the adjournment of the Southern Baptist Convention...

As will be seen by special dispatch to the News, the General Conference, in session at Atlanta, decides against division of the North Carolina Conference.

It begins to look now as if the long predicted new or third party had been born...

THE Greensboro Patriot, very good authority, says, "If the election of the next United States Senator rested with the Democratic masses Zeb Vance would have ninety-nine out of a hundred, and that hundredth man would want to be Senator himself."

SOME astounding frauds are alleged to have been unearthed in the government printing office at Washington...

THE Greensboro Patriot thinks the people are not going to make the Senatorial contest "an issue in the selection of their representatives in the Legislature."

It seems that the Washington Republican has been cataloguing North Carolina as a Republican State!

THE question of expediency being settled, no good objections can be raised against the adoption of Mr. Potter's resolution.

THE object of this investigation is not simply to collect into durable form the evidence of frauds in the stolen States.

THE Federal power does not usurp the ballot box in North Carolina the elections are always free, and voters untrammelled.

A New Crusade of Hate. The South must be prepared to withstand a new crusade by the apostles of hate in the North.

THE Southern heart is again to be fired. Angus Cameron, United States Senator from Wisconsin, leads off in the North American Review, with an article, which, for pure cussedness, has had no superior in the periodical literature of the day.

THE State Medical Society of North Carolina met in annual session yesterday at Goldsboro.
