A CERTAIN AND SPEEDY GURE FOR SCROFULA.

FACTS ARE STUBBORN THINGS

TRADE MARK (Registered.) A BRIEF HISTORY: The following is from the Raleigh News, and was a voluntary insertion and not an

advertisement : "Years ago an old Indian left a receipt for curing Scrotula with Mrs Person's father.
Mrs. Person lives in Franklinton, or in that
section. A cliid was born to Mrs. Person. and it had the Scrofula. The doctors gave it up to die. She thought of that receipt, that was now old and musty, and hid away in an upstairs orawer. She concluded if the child was bound to die, it wouldn't hurt to follow that receip. She went out and gathered the herb, got the whiskey, and did as directed to the colid. Her child now lives well as d hearty. More than this : Only a lew months since a south Carolinian, whose name has slipped us, was suffering with some scrofu-lous affection on the heel He had been to the Hot Springs in Arkansas, and from there he went to kittrell Springs. Nothing dia nim any good. At kitt ell's they told him of Mrs. Person's recipe, and Dr. — wrote to Mrs Person if she cured that South Caroiinian her receipt was worth meney. And the South Carolinian sent her word if she cured him he would give her five han-dred dollars. She sent hin directions what to do, and added if they cured him he could send her twenty-five dollars; she wouldn't ask five hundred. The South Carolinian went home, and shor ly after-ward sent Mrs. Person a cheek for twentyfive dollars, and wrote the most grateful letter he knew how. Bless these old indians. We would like to cave one for a near neigh-

JOE PERSON : The medicine I purchased of you last win ter proved of lasting senedt to my son, who was troubled with 27 running sores, some of them quite large, and of a scrofulous nature. In less than three weeks after commencing the use of your remedy, he was perfectly restored, and is to-day quite sound and healt :y. As a TONIC AND BLOOD PURI-FIBR IT HAS NO EQUAL doping that you may be spared for many years of usefulness, I remain, Very respectfully, I. J. STOKES

AN A TONIC AND ALTERATIV MOORESVILLE, IREDELL Co., N. C.

Louisburg, N. C., May 22, '78.

Being desirous of adding my testimonia o others, concerning the merits of Mrs. Joe Person's Remedy for Scrofula, I take pleasare in saying that as a tonic and alterative I do not think it has an equal, I have fairly tested it, and after trying Vegetine. Sarsaparilla, Vinegar Bitters, and various other remedies, I have no hesitation in progouncing it far superior to any PONIC I have ever used. When I commenced using Mrs. Person's Remedy I was very weak, complection sailow, and now I am WELL,

Respectfully your friend, MRS. H. T. BROWN.

WEEKS. CASTALIA, N. C. MRS JOE PERSON : Dear Madame—Your letter has been re-ceived, and on account of being absent from holds for a week or two, have not had the opportunity to answer it I certainly will take great pleasure in doing ad to this within my power towards getting you patients for treatment of Scroula. I hardly know how to express my gratifude to you for cm ing my three little children. They took mea-icine from my family physician for about-two years, with scarcely any relief at all. I tried your remedy, and in less than three weeks they were all perfectly cured, and have never shown any sign of breaking out again. I feel very thankful to you. I can safely say that I believe your remedy to be a certain cure for Scrotula. If I can ever be of any service to you in any way, I want you to be sure and call on me, Yours truly, WM. H. ARBINGTON.

"It will Cure if Fairly Tested." It gives me much pleasure to be able to state that I have derived an effectual cure of Scrotala from the use of Mrs. Joe Fer-son's renedy for that dise se. I had suffered from Serofula for mo e than three years, and had despai ed of eve getting well. I was treated during that time by three very emine t physicians, without any good resuit I then went to the Nationa Sirgical Institute, at Adanta, Ga., and was treated there more than two months, with no better result than my family physicians met with After returned from the Institute i was persuaded to try Mrs. Person's remedy. and I had not used it more than a week be torel discovered its curative and healing properties. My sores soon began to hear, and the cor of my skin changed as fast a the sores healed. I had not thought of ever getting vell again, but my hopes increased, my low spiritedness fled before the remedy and I am now emoying splendid health and am in good spirits. The remedy is mild as a purgative, and a strong toute; it will heat the most stubborn sore in turne weeks if taken regularly. It is my opinion that it should be taken some time after the sore is holden, to re nove the cause of its effects, it shoul be taken regularly by all means, for I have sometimes neglected it, from the pressure of pasiness, and in all cases found that the cure all eady made would commence to retrograde, and for this alone it should be taken regularly will an effect unit cure is completed. Nothing should preven-regularity in the use of the emedy and it should be taken at the proper time. I would recommand to til Whi are suffering from scrotula to try it. It will surely cure your you give it a fair test. I speak from experience, and not from hearsay. I aim a grateful recipient of a cure from the use of it. and lam under many and asting obligations to Mrs. Per-on for the great relief a have obtained from its use. Sufferers, try i

> I am, respectfully, JAMES A. MORRIS.

My receipt for the cure of Scrofula has been tried by me with the most unpreceden-ted success for the last twelve years, and I have no hesitation in recommending it as a sovereign cure for that disease and as a general Tonic and Blood Purmer, it is every-where giving perfect satisfaction, while my experience with it is too limited for me to specially recommend it for other diseases, I believe it will ultimately prove to be of benefit in all cases arising from impurity of he blood and probably for other diseases

> A CASE OF CANCER. FAYETTEVILLE, N. C., Aug. 12, 18.8.

MES. JOS PERSON :

Dear Madam—I have been using your Remedy for scrofula overfive months as an experiment for cancer. The cancer is of ENGINES long standing, the doctors have been treatlong standing, the doctors have been treating it, more or less, for twelve years, it has taken off my upper lip and a good part of my nose. When I began to use your Remetry it was growing rapidly worse, but the medicine seemed to check it very soon, and it has not made much progress since, except about two months ago, the medicine gave out, and I was without several days, It then seemed to start above, and grew worse very seemed to start anew, and grew worse very fast until I had taken the medicine about a week, since then it has not changed much. I think I I could have had the medicine soon enough, it would have cured me.

For more than a year before using your medicine, I was troubled very much with a disease of the heart, an irregularity in its action. It would miss every third beat for hours, then at other times it would have as a seemed to start anew, and grew worse very BuilderS hours, then at other times it would increase in its action, and run up to 200 beats per minute. Since using your medicine I am almost entirely relieved of this, rarely feel it, and then not enough to speak of it. I would recommend any one suffering with heart disease to try your medicine. As a Tonic and Alterative, I do not think it has any superior. I have been using all the most powerful Afteratives known to the medical profession for the last 12 years and 1 know of none superior to this. I think your medieine is destined to be a great blessing to the

cine is destined to be a great blessing to the afflicted. Let every one that needs a Tonic or an Alterative give it a trial, and I do not think they will be disappointed.

Very truly and Respectfully.
