This season has, thus far, not been noticeable for its festivities in the terpsichorean line, but the Monogram Club now propose to give one of their elegant hops, to-morrow evening, at which the usual array of fair faces will be seen, while light hearts and good music will make the fleeting hours pass plea-antly to every participant.

Skating Rink.

At last there is a gleam of light for the pleasure seekers, and the old fun of roller skating is to make them joily once again. The skates have been laid away for years, but now they are to be taken out, and will prove an uncertain ooting to the unskillful and a rapid transit to the knowing ones. On next Monday evening, it is understood, the -Jack Frost has assumed control rink will be opened, it is not known wich certainty whether in the large ball over Dodd's store or not, but the place chosen will be commodious and with a good floor. There will be a rush for the rink, no doubt, and it is sure to pay this season. There has been talk about opening it for some seasons past, but now it is a fixed fact. Due notice will be given by the management of the opening night, at which time it is, hoped that the devotees of the delightful pastime will be present in fo.ce, and make the occasion one to be remembered. There is not a sport which is more healthful and pleasurable than this.

Good Cheer for Consumptives. There is a form of Consumption which was better indicated by the old fashioned name of "decline." It is the dreaded sourge of some parts of the S uthern states, claiming more victims every year than are swept away by the most terrible visitations of the yellow fever. The malady arises from the mability of the patients system, to take up and assimilate the nourisning ingredients of the food that is eaten. some years ago the medical procession, with remarkable unanimity, agreed that od Liver Oil contained the most concentrated an easily absorb d elements of nutrition. If the nause us taste and smill of the oil could be avoided it would usquestionably be the most sovereign remedy that ever shed a healing blessing on the human successfully removed by the union of pure Couliver oil with the Hypophosphites of Lime and Soda in Scott's Ema sion The combination is a most elegant one pleasant as sweet milk in flav r congenial to the stomach, and act ne directly as a powerful jet gentle tonic of the bratu and nervous
