SENATE PROCEEDINGS.

In the Sepate there was an air of tameness and soberness about the proceedings, becoming the severe dignity of that august body. Mr. Dortch MR PRESIDENT: The long deferred

CONGRESS.

WASHINGTON, Jan. 21 -SENATE .--Morrill, of Vermont, from Committee

ment the house bill to facilitate the chair. refunding of the national debt placed on calendar. (This is the bill which city. passed the House on the the 16th and

authorizes the Secretary of the Treas- proved. ury to exchange directly at par the four per cent bonds for the five-twenty bonds outstanding and uncalled and whenever all such five-twenty bonds shall have been redeemed the provisions of the act shall apply to any bonds of the U.S. bearing interest at five per cent or higher rate which may be redeemable. In any exchange made under the provision of the act interest may be allowed on boncs redeemed for second or thild months. We understood the bill received unanimous approval of the committee on Finance.) Bilis introduced and referred as followed by Withers, of Virginia, creating the national public health association referred to select committee in regard to the prevention of introduction of contagous diseases.

vent the introduction of cultious or infectious diseases in the U.S., and to establish bureaus of public health. Referred to the same committee. Proceeded to consider bills on the calendar, without important action on any bill. The Naval appropriation

gave notice that he would offer an Stanley. Propositions and Grievances. amendment for the appointment of a Naval board to consider the number make Lumber river navigable. Propof officers needed for a Navy of 7,500 men, and that hereafter, until directed by law, promotion in the Navy above the be entitled an act to facilitate the exgrade of ensign shall cease. The ecution of guardian bon is. Judiciary amendment also looks to further rcduction in the expenses of the Navy.

such inquiry. feelingly concerning the imputations ments. which had been attributed to him, that he desired to prevent investigation of the cipher telegrams. Butler, of Massachuse is, opposed the resolution on Committee. the ground that Congress had no jurisdiction over the private corresponto satisfy the curiosity of any body in the House or out of it. If de, of Maine, supported the resolution, saying now that the machine had been started and set in m tion, let it roll on and make investigation into both sides of the question. Hewast supported the resoution. He called the attention of Butler that there were occasions in life races. Judiciary Committee. when there was something higher than a Judge or member of Congress. It was when a sense of manhood struck into the human heart. He stood here, in that spirit of manhood, to invite the ful.est investigation of the telegrams. Those which had been published and those which had not. Justice to Samnel J. Til 'en demands that the investigation should be made. Justice to the great Democratic party demands it. Justice to the American people, who had elected him to the highest office in their gift, demands it. Let Mr. Tilden have an opportunity to confront his accusers and traducers, and show the world that at least one of the candidates at the late Presidential election was not a miserable trickster, willing to bargain for the highest office in the gift of the people. Hewitt concluded by saying: "Let then, Mr. Tilden have an opportunity to confront his accusors, his traducers, his maligneis, before a competent tribunal. Let the man who of right should occupy to day the executive chair, go on the witress stand if need be and satisfy the American people and the world that one at least of the caudidates of the two great parties whose existence is essential to the mainten ince of free government, is not a miserable trickster, willing to make bargains for the highthe Interior will consult and decide deest office in the gift of the people, finitely as to what action should be every hour's wrongful occupation of taken if these reports are tiue. which only intensities the dishonor of The treasury signed the new Syndic its acquisition and the humiliation of ate contract to day for the sale and its possession." Now is the Time to Settle the State Debt. Correspondence of the News.

The auditor reports \$15,645 S9 as the entire amount of State tax collect; ed for the fiscal year 1877, from dealers in spirituous, vinous and malt liquois. was put upon its second reading, Is it possible that this is all the tax which can, without oppression, be raised from this source? In Virginia, with a population but a little more than

that of our State, the amount of tax collected from this source last year was over a half million dollars; can it not be arranged so as to pay two or three hundred thousand in North Carolina? Let us suggest a comparison. The vate laws 1874-'75, incorporating the land of the State, comprising the Fayetteville, Go'dsbo:o, and Harnet homestends of the people, paid in 1877. R. R., passed its second reading, and (last report we have) \$108,331 76; town was referred back to the committee on lots. \$22,951 53; farming utensils and Internal Improvements, with instruc- so forth, \$16,592 37; thus showing that the burdens of the government are
