WAKE SUPERIOR COURT .- Court octat takes occasion to animadvert met at 10 o'clock yesteroay, His Honrather strongly upon the management or Judge Mills L. Eure presiting The of the stierts of this city, which it declares are but bogs in winter and dust heaps in summer. There is much of truth in its remarks, as is evidenced. But a few days ago the streets were mud lakes, almost unnavigable, whereas on Scurday they were filled with dus' edites, as pel strins found to

ther disc mfort Now they are in bett rend ton than for some time, but will not long be so. Nov r mind, Index to vew superiments. In the sweet by and by there will be presements and strict sprinklers, so that both th sid sagree ble conditions will be avoid d.

> WALKING AS & FINE ART. -In all the cities the now and tashionable sport of walking matches is all the go, and men a'd women are striving by day and night to walk the greatest possible number of miles. All classes of society counts of pedestrianizing. Thus far he prevalent disease hasn't reached Raleigh, and "walking against time" is one of the unknown things. Properly testricted, much amusement as well in vouue here. There should be an attempt made to get up a match and a prize offered. It will be found that there are numbers of young men who thick themselves the match of any

> ped strian. It will by no trouble to tire a hall as the scene of the match. and it will ast mish any one who will push the enterprise to find how many wilpay to sea match. The sigges-

tion is thrown out, with the remark, incidentally, that "there's millions in
