Our country is getting to be fearfully alarming, the average of life being lessened every year, without any reas onable cause, death resulting generally from the most insignificant origin. At this season of the year especially, a cold is such a common thing that in the hurry of every day life we are apt to overlook the dangers attending it and often find too late that a fever or lung trouble has already set in. Thousands lose their lives in this way every winter, while had Boschee's German Syrup been taken, a cure would have resulted, and a large bill from a doctor been avoided. For all diseas s of the throat and lungs, Buschee's German Syrup has proven itself to be the great. est discovery of its kind in medicine. Every Druggist in this country will tell you of its wonderful effect. Over 950,000 bottles sold la t year without a single failure knowu. d wtf.

A Remedy that has been Remedied.

The invin the repugnance felt by almost every one to the smell and flavor of Cod Liver Cil, has prevented tens of thousands of the victims of debility, from reaping the benefits of its peculiar healing and nutritive properties. The almost hopeless consumptive, the martyr to Rheumatism, the barely living shadow of men, women and children that emerge from the clutches of malarial fevers, all of these know, or at least their dectors know, that of all discovered remedies, this Oil is the best, and often the only one that will build up their wasted bodies, and and restore their shattered nerves, and far more effective than the Oil by itself is Scatt's Emuls on of it, with the Hypophesphites of Lime and Soda. This is the finest and most natural food and medicine in the world, and wholly deprived of its disagree able qualities. Sold by Wm, Simpson, March 4 dawsw gist.
