Lightning Cure. The advertisement of the far famed "Lightning Cure" appears in this morning's NEWS. The proprietor, Dr. Allen has made a wonderful success with this remedy. He first began the manufacture thereof in the little town of Hillsboro, Ohlo, in 1868, and has been engaged in the same business ever since. During this period of time he has been in every State and territory in the Union, besides one trip to Australia. He stated to the reporter yesterday that he had sold very nearly \$500,000 worth of medicine since he commenced; and that Raicigh was the best point he had struck vet. Since January iast he has sold 25,000 bottles; he is so well pleased with the people and climate here that he intends to make Raieigh his permanent abode. The doctor did not say so, but the reporter thought -Yesterday was a genuine April the main reason he was so wedded to this city mas due to the fact that a few days since, he for the first time, became the father of a chubby little daughter.

Hair Vigor,

gray hair is soon restored to its original color, with the gloss and freshness of youth Thin hair is thickened, falling hair thecked, and baldness often, though not always, cured by its use.
