our country is getting to be fearfully strming, the average of life being lessened every year, without any reasonand cause, death resulting generally om the most insignficant organ. At is sesson of the year especially, a cold a such a common thing that in the hurv of every day life we are apt to overak the dangers attending it and often and too late that a fever or lung trouble has already set in. Thousands lose their lives in this way every winter, while had Boschee's German Syrup been taken, a cure would have resulted and a jarge bill from a doctor been avoided. For all diseases of the throat and lungs, Boschee's German Syrup has proved itself to be the greatest disevery of its kind in medicine.
