When it had become known that one of the richest California bankers had eft the Pacific Coast and transferred his base of operations to the New York Stock Exchange all the shrewd finaniers watched his course with keen interest to see how he would succed. The New Stock Speculation

The new combination method of operating in stocks which Messrs. Lawrence & Co., Bankers, N. Y., have inaugurated, is attracting much attention in financial circles, by reason of its remarkable success. A customer in Providence, invested nine times, and made over # 1000 in three months, by using from \$ 40 to \$ 400 capital. By this system, orders from thousands of customers, in various sums, are pooled into one immense capital, and operated as a mighty whole, thus giving to each shareholder all the advantages of vast capital and shrewdest skill. Profits are divided every thirty days. Any amount from \$10 to \$75,000 can be used in Messrs, Lawrence & Co.'s combinations with equal proportionate success, \$15 will make \$55 profit in the month. *30 will return \$1,600, or 8 per cent, on the stock and so as the market varies. The Celbrated Seven Springs Iron

This is decidedly the most useful, besides being the most efficient Family Medicine ever placed within the reach of any people. Its reputation extends far and wide, and its great popularity is due entirely to its own merits. For relieving Sick and Nervous Headache, it may be truly said, to have no equal. Dyspeptics find it just the remedy for their troubles. Mothers and daughters have long since discovered in its use a "panacea" for their worst ills; and now we have the testimonies of two eminent ministers of the gospel, from Southern cities, setting forth its specific reensboro; J. D. Whitfield, Durham; effects in other more dreaded and troublesome diseases.

Rev. John F. Mayne, Theological Seminary, Columbia, S. C., writes: "Am afflicted with that terrible disease, 'Diabetes;' am using the 'Seven Springs Mass with a considerable degree of relief; is the only remedy I have yet found to suit my case; want to continue its use until a cure is effected if possible. Send worth of the enclosed P. O. order immediately. JNO. F. MAYNE.

Columbia, S. C., Jan. 23d, 1879. Rev. J. D. Parker, of New Orleans, La., writes: "Having tried effectually the Seven Springs Iron and Alum Mass, for Diarhea, Kidney afflictions, &c., I take pleasure in recommending its use in these complaints. In my case it affords immediate relief.
