runnent steamboats, he best all rivals by crowding on steam to the utmost, and even running down his enemy if necessary, to accomplish a triumph. When he went into milrording, he i adopted a much shrewder and inore successful way, by uniting vast lines and their tributaries under his own management, thus capturing all rivals, by sharing with them the immense pool of profits that were made by his skillful manipulation. Messrs. Lawrence & Co., Bankers, N. Y., accomplish a much greater success in stock operations by their new Combintion Method of dealing. By this system the orders of thousands of customers are pooled into one yast sum and co-operated under the most experienced management, thus giving to each share holder all the benefits of large capital and best skill. Profits divided monthly. Any amount from \$5 to \$25,000 can be used with great success, \$15 will make \$75 profit. see would return \$7.00 or 9 per cent. on the stock during the month, according to the market.
