WADDILL, Esq., LYNCHBURG, VA.-Dear Sir: Observing a certificate from you in reference to the "Iron and Alum Mass," of the Seven Springs, in Washington county, Va., in relation to its efficacy for Liver Diseases, would you have the kindness to inform me whether you used the "Mass" or the "Water; " also, a description of the symptoms and such other information as you may deem pertinent. I am a long-time sufferer with Liver Complaint, and naturally feel very anxious on the subject of a remedy that will afford me even temporary relief. Your early reply will greatly oblige, very respectfully,

WILLIAM BARR. LYNCHBURG, Va., May 12, 1879.-WM. BARR, Esq., Bovine, Mississippi-Dear Sir: Your inquiry in regard to the 'Liver case' which was effectually cured in my family from using the 'Seven Springs Mass," is before me. The case referred to in my certificate was that of my wife's sister, who is now in her 80th year, and has been a member of my family for the last 27 years. She had been afflicted with Liver Disease for 30 years, sometimes almost dying with pains in the back, breast, and heaviness of the chest, heart-burns (intensely), sick stomach, vomiting, &c. I procured a few bottles of the "Mass" for her, and very soon after she began the use of it, her health commenced to get better, and she continued steadily to improve, and at this writing, so old, seemingly in as good health as a person who had never been afflicted with these diseases. She attributes her cure entirely to the efficacy of the "Seven Springs Mass." I regard it one of the greatest family medi-ines we have access to, not only for such diseases as above indicated, but for various other complaints for which it is recommended. Hoping these answers satisfactory, I am, very truly, A. WAD-DILL, Proprietor Lynchburg News. For sale by Wm. Simpson, Pescud, Lee & Co., and F. H. Heartt, Raleigh,
