At 1:39, after the election of Speaker and Chief Clerk, the Wizard arose in his a committee to escort him to the chair. Macintosh, which gave him a rather picturesque appearance, and took his departure. His seat was immediately apportanted by Rev. Dr. Marshall, of White Charge.

arose and said arose and said:

"I rise to place a gentleman in nomination for that position. Occupying as I do a peculiar position, perhaps it may be well for me to explain the peculiar position. I declare to you it will be my constant aim and effort to discharge the delicate duties imposed upon me by my be well for me to explain the peculiar situation. At no time in my recollection has the House resembled anything like the present complexion of the House of Representatives. Two years ago it was ment of all his rights and privileges and ment of all his rights and privileges and ment of all his rights and privileges and discovered that the Democrats had carthe honor and dignity of the House up ried the election by the u-ual majority. held and maintained. It is unnecessary for when we were beaten, then it became apparent to men in politics that something was necessary to be done. The result of that election demonstrated the fact that the party to which I belong had grown less, that the Democratic party had grown less and that another party that grown less and that another party the grown wealth will be upon us. For our commonwealth will be upon us. For our commonwealth will be upon us. For our commonwealth will be upon us. For our When we were beaten, then it became me to enter upon any extended statement that degrown less and that another party had grown less and that another party had sprung up. It was two years ago that the idea came to me to enter into a combination. I called a few friends around me to see if some union could not be made with the party that had been able to cast 47,000 votes. It was found able to cast 47,000 votes. It was found the control of the discharge of the duties placed upon us we shall exercise such wisdom and discrimination as aball redward to our credit and reable to cast 47,000 votes. It was round that in State politics there was little difference between a Republican and a Populist. In the language of legislation which is the most important legislation which is the most important in the language of legislation which is the most important in the language of the State should in my the late lamented Senator Vance 'it is to the people of the State should, in my to distinguish between a People's opinion claim your earliest attention, dis-

Amen' to their prayer (laughter) and say of the bill objected to the rule on the round that it was so framed as to cut of an each of the save to read that another of the save to my friends on this rule, and then, with the list of the rule on the bill objected to the rule on the round that it was so framed as to cut of mandon that it was so framed as to cut of the rescue.
